

# RESILIENT FAITH

EPH 6:10

*September 26, 2021*

## TODAY

There will be a **Middle School Devo** after evening worship at the home of Ellen Brewer  
2203 Martinwood Lane, SW

**Alzheimer's Caregiver Support Group** will meet at 4 pm in the Overflow Room. If you have any questions, call Angie at 256-476-4328.

### *We are excited to announce that Sisters in Service will be launching soon!*

We are a group of single women associated with Beltline Church of Christ who are joining forces to serve the needs of the congregation, as well as the surrounding community in Decatur.

Acts of service involve, but are not limited to, tending to the needs of the elderly and shut-ins, providing volunteer services for group and community activities, encouraging the downhearted in various ways, activities to get to know and encourage each other and much more! We trust God to lead us where the needs are. All women are invited to participate, but especially any single woman that is looking for a place to fit and serve in our wonderful congregation. Interest sheets will be coming out in October so be praying about how God can use you in this program!

### *Our "Next Steps" Program . . .*

We want to help people take the next step with Jesus. We believe helping people in need is a huge part in helping people take that next step. Our desire is to meet physical and financial needs as a door to the most important needs of all ... **spiritual needs**.

At the conclusion of the services, an invitation will be made to come to the next steps room where a team of people will meet you, share the GOOD NEWS of Jesus with you, and identify and attempt to meet any needs you may have.

Our desire is then to **follow up** with you during the following weeks and months to see how you are doing, encourage you to keep worshipping Jesus with us at Beltline, and help you take even more steps with Jesus.

# The Life of Christ: The Harvest is plentiful

What have you gained by being a follower of Jesus Christ?

- \_\_\_\_\_

What have you lost by being a follower of Jesus Christ?

- \_\_\_\_\_

**Luke 10:1-2**

- Do we have an \_\_\_\_\_ today?
- **Philippians 1:21**, “For me to live is Christ, and to die is gain.”
- Jesus didn’t just \_\_\_\_\_ earnestly...he \_\_\_\_\_ laborers into the harvest.

As we go, the Good Shepherd will \_\_\_\_\_.

**Luke 10:13-20**

1. God provided \_\_\_\_\_.
2. God provided what they \_\_\_\_\_ to do the \_\_\_\_\_.

**Gospel?**

- Gospel = \_\_\_\_\_.
- God has a \_\_\_\_\_ for every area of your life.
- We have all gone our own way...the Bible calls that \_\_\_\_\_.
- Sin leaves us in \_\_\_\_\_.

**Brokenness?**

- Brokenness is what gets us ready to try God’s \_\_\_\_\_ for change.
- When we \_\_\_\_\_ and obey the gospel, he gives us the power to \_\_\_\_\_ and \_\_\_\_\_ God’s design.
- Jesus then sends us back into a \_\_\_\_\_ world to tell other people how to find their \_\_\_\_\_ out of brokenness.

**Connect to Jesus...**

- You connect to Jesus by \_\_\_\_\_ and proclaiming that He is the Son of God, who died in your place.
- You connect to Jesus by \_\_\_\_\_ of your sin.
- You connect with Jesus by being \_\_\_\_\_.
- You connect with Jesus by \_\_\_\_\_ others.

**Titus 3:14 . . .** “Our people must learn to do good by meeting the urgent needs of others; then they will not be unproductive.”

I want to make you aware of an opportunity to live out the above verse. Our Next Steps Initiative is up and running and God is bringing us more and more people to help and serve in the name of Jesus. While we have some bags of food to give people who have a place to live, we need to restock our food room with bags of food for those who may be homeless or in transition.

Here is what I am asking. Would you consider putting together TWO bags of food. ONE that you bring to the church for us to give away to any in need who comes to the office or Next Steps Room and ONE that you keep in your car and hand out to people you see who are in need.

Here are some suggestions for what goes into the paper bag (preferably a paper bag with a handle)...

- Peanut Butter Crackers
- Vienna Sausage
- A few bottles of water
- Beef Jerky
- Tuna
- Granola Bars
- Trail Mix
- Gum/Mints

My prayer is that you will gather these items with your family, put these bags together with your family, and get your children involved with you in handing them out to people in need. This is not just an outreach for families; however, it is for EVERYONE!!! If possible, please have the bag for the church here by October 24, 2021. There will be drop off locations in the foyers located to the right, left, and main entrances to the auditorium.

Thank you so much!

~Steve Smith

## Does Design Demand a Designer?

The new rage in cosmology is the search for a convincing argument to “prove” that design does not demand a designer! Why has it become such an issue? Because the effectiveness of the argument is making some longtime atheistic evolutionists look a bit silly.

An illustration: You find a Rolex watch in the woods. It keeps perfect time. Your friend is convinced that its existence is an accident of nature... lightning striking millions of times per year over a billion years has accidentally created the Rolex. You protest that such a fine chronometer could not be a result of random chance because of its evidence of intelligent design. Your friend will not budge, so to convince you of his “truth” he must search for a workable model to “prove” that design does not demand a designer. Mostly he waxes philosophical, but still he lacks evidence.

Such is the state of affairs with the intelligent design (ID) debate. Let's suppose the Rolex you found is 100 feet in diameter. Could you believe it is an accident? No. Suppose it is 100 miles in diameter and still keeps perfect time (although the neighbors complain about the loud ticking!). Could you believe the massive Rolex is an accident of nature? No. Suppose the watch is 100 light years in diameter and still keeps perfect time. Nope... still can't believe such massive and intricate design is an accident!

Guess what... the universe is a wonderful watch. You can actually set your Rolex by the movement of the heavenly bodies observed from earth. In fact a ship's longitudinal position on earth can be found by the observation of the heavens (discerned by the time of local sunset, for instance).

Some of the world's top scientists agree about ID. Sir Fred Hoyle (world famous astronomer) wrote, “A common sense interpretation of the facts suggests that a super intellect has monkeyed with physics, as well as with chemistry and biology, and that there are no blind forces worth speaking about in nature. The numbers one calculates from the facts seem to me so overwhelming as to put this conclusion almost beyond question.”

In his book, *Superforce: The Search for a Grand Unified Theory of Nature*, Australian astrophysicist Paul Davies wrote of the intelligent design in the universe, “...how could it be supposed that those workings are merely a mindless accident, a product of blind chance?” (1984, pp. 235-236).
