Remember in Prayer those serving in the Military and in the Mission Field . . .

As requested, for their safety, names or locations cannot be shared on any Social Media.

Titus 3:14 . . . “Our people must learn to do good by meeting the urgent needs of others; then they will not be unproductive.”

Remember the opportunity to live out the above verse. Our Next Steps Initiative is up and running and God is bringing us more and more people to help and serve in the name of Jesus. While we have some bags of food to give people who have a place to live, we need to restock our food room with bags of food for those who may be homeless or in transition.

Would you consider putting together TWO bags of food. ONE that you bring to the church for us to give away to any in need who comes to the office or Next Steps Room and ONE that you keep in your car and hand out to people you see who are in need.

Here are some suggestions for what goes into the paper bag (preferably a paper bag with a handle)...

- Peanut Butter Crackers
- Tuna
- Vienna Sausage
- Granola Bars
- A few bottles of water
- Trail Mix
- Beef Jerky
- Gum/Mints

My prayer is that you will gather these items with your family, put these bags together with your family, and get your children involved with you in handing them out to people in need. This is not just an outreach for families; however, it is for EVERYONE!!! If possible, please have the bag for the church here by **October 24, 2021**. There will be drop off locations in the foyers located to the right, left, and main entrances to the auditorium.

Thank you so much!

~Steve Smith

WHENEVER IT BREAKS...

There is a monastery in Greece perched high on a cliff several hundred feet in the air. The only way to reach the monastery is to be suspended in a basket that is pulled to the top by several monks who tug with all their strength. Obviously, the ride up the steep cliff in that basket is terrifying.

One tourist got exceptionally nervous about halfway up as he noticed that the rope by which he was suspended was old and frayed. With a trembling voice, he asked a monk riding with him how often they changed the rope. The monk thought for a moment and answered, “Whenever it breaks.”

Some things should never be put off. When I recognize the need for change and correction, I need to do it now, before it is too late, before the rope breaks.

Would you believe me if I told you I had discovered a new diet where one could eat only fattening foods and yet lose weight? The diet consists of banana splits, pizza, coconut-cream pies, doughnuts, fudge—you name it. What if I told you that I had found a new alcohol recovery program that advises one to drink a quart of Scotch every hour? Or what if I told you about a new way to get in shape by sitting in front of the television, clicking away on a remote control? What if I told you that I had found a new way to get ahead in school by goofing off and playing video games?

We know none of these ridiculous suggestions will work. Why? Because we reap what we sow. Perhaps it is time to start looking into our lives and make the necessary changes... before the rope breaks?

—adapted from Alan Smith, “Thoughts from the Day” and Greg Laurie, “Life, Any Questions?”

“Now as he reasoned about righteousness, self-control, and the judgment to come, Felix was afraid and answered, ‘Go away for now; when I have a convenient time I will call for you.’” [Acts 24:25](#)
