New Wednesday Night Fall Classes for Adults

beginning August 6 . . .

- **Bridging the Songs: Connecting Hymns and Modern Worship**

singing class explores the deep connection between the hymns of the past and the worship songs of today. Discover how the theological richness, poetic structure, and melodic beauty of old hymns influence and inspire modern worship music. Through live singing, guided listening, and group discussion, we'll examine common themes—such as grace, redemption, surrender, and the majesty of God—that transcend time and style. Whether you love four-part harmony or contemporary worship choruses, this class will deepen your appreciation for both and show how they can coexist in a vibrant worship life.

Matt Parker

Service Center

- **Ladies Class**

We'll be looking at what the Bible teaches about forgiveness: God's forgiveness of our sins and how we forgive others. We will also evaluate what our culture has taught us about forgiveness and measure that against what the Bible.

- **Serenity**

What are the gods in your life, and what is most important to you? Is it your sexuality, money, work, power, relationships, activities, alcohol, or other drugs? Do any of these areas dominate your thinking and your actions? If so, they may represent dependencies. **Serenity**®, a book that addresses this problem, can assist you in restoring these areas of your life to proper balance by examining how God speaks to your dependency and how He can liberate you and restore you to wholeness, stability, and a perfect relationship with him.

- **Simplicity**

Life gets busy and complicated – but what if faith didn't have to be? In this class, we will look at men and women of Scripture who learned to keep things simple and trust God...and others who made it harder, a whole lot harder than it had to be. Come and join the conversation and be encouraged to let go of the noise and focus on what really matters.

- **World Bible School**

Our WBS class is a very friendly, open, and collaborative gathering of fellow Beltliners, working to together, with our only goal being to get the Gospel to as many as we possibly can. Most of our students are incarcerated and have very limited opportunities to learn the way to the salvation of their souls. They have broken the law and they must pay the penalty, but they can gain hope in a very dark time in their life by learning that God will forgive them now. No trial, no lawyer, no waiting. Now! Join us in spreading the Gospel in a nurturing environment.
