A Message from the Elders —

The Elders have been discussing the need to have additional men join them in service to this body of believers. We feel a congregation of this size needs more men dedicated to serving as Shepherds.

We feel strongly there are men who are already filling a shepherding role as a natural part of who they are. You as a congregation also recognize this. To that end, we ask that all of us prayerfully consider who among us meets the Biblical qualifications of elder and could serve effectively in that role.

For our consideration, please review what the Bible has to say about the qualifications and duties of an elder given in I Timothy 3:1-7, Titus 1:5-9 and I Peter 5:1-3. If you see men you believe meet these qualifications and could fulfill the role of shepherd, please speak with them about their willingness to serve. If they indicate their willingness, please submit their name in writing to any of the elders. We ask that you please submit names by December 7th.

For those that work with our Children & Youth . . .

We will be providing a very helpful and informative training for anyone interested but especially those that work hand in hand with our children and youth programs!

Alyssa Stetler has been so kind as to organize and provide this mandated reporter training. Please mark your calendars for December 7th. The training will be held at 1:30 pm in the Sunday Overflow Room.

Big thanks for talented and knowledgeable people who care about our youth! The flyer is attached below for more details.

If you have any questions or concerns, please feel free to contact me or Sam.

Our "Next Step" Initiative . . .

We want to help people take the next step with Jesus. We believe helping people in need is a huge part in helping people take that next step. Our desire is to meet physical and financial needs as a door to the most important needs of all ... **spiritual needs.**

At the conclusion of the services, an invitation will be made at which time you may exit to the foyer where a team of people will meet you and take you to the Next Step Room, share the GOOD NEWS of Jesus with you, and identify and attempt to meet any needs you may have.

Letter from Bob Walker . . .

In July, 2000 I was granted the greatest opportunity of a lifetime - appointment as an elder of the Beltline Church of Christ. After 25+ years I believe it is time to step aside and let someone have my seat at the table of elders. This will be effective as of 1/1/26. I do not leave because of concerns I have for the direction of the Beltline Church. I am not hurt and I am not angry. In my mind, it is time. Many good men of this great church are qualified to serve in the role of elder/shepherd and now is the time to step forward. The Beltline Church is not perfect and no doubt we would get reprimanded for some things if we were the eighth church mentioned in Revelation. However, I believe that the Beltline Church is committed to the work of the Lord, is growing and positioned to grow exponentially over the next few years. You are a good church. Now is a good time to be seated at the table of elders. I thank you for this wonderful opportunity given to me. I will continue to "shepherd" as to the best of my ability even though I will not carry the title. I thank Beth who has been a faithful support as a shepherd's wife and will continue to serve in every way that she can. I thank my children, Charlie, Mary Kyle and Claire for their understanding and support back in the earlier years when they were still under our roof. I have full confidence and trust in our leaders. They are faithful and committed men of God and they pray constantly for each of you. They have your best interest and the interest of the church as a whole at heart. They care for your soul. It has been a privilege to work with them and I count it a privilege to work under them. I have always called them the greatest "small group" of the church. May the Lord bless each of you.

*Thank you,
Bob Walker*

- **Serenity**

What are the gods in your life, and what is most important to you? Is it your sexuality, money, work, power, relationships, activities, alcohol, or other drugs? Do any of these areas dominate your thinking and your actions? If so, they may represent dependencies. **Serenity**®, a book that addresses this problem, can assist you in restoring these areas of your life to proper balance by examining how God speaks to your dependency and how He can liberate you and restore you to wholeness stability, and a perfect relationship with him.
