

Corporate Matching Gifts

Corporate matching gifts are essential to the success of The Bertschi Fund.

Last year, matching gifts accounted for over \$50,000. If you work for a company with an employee giving program, you can obtain gift forms and details about matching through your Human Resource office. Some companies even match gifts from retired employees and employees' spouses. **If you have questions, please contact the Advancement Office, at 206-442-6852.**

Here you will find a list of companies with matching gift programs. If your company is not listed, check with your Human Resources office to see if they have a program in place. If they don't, please encourage them to join you as a future giving partner!
