AWESOME SAUCE

by

HALE AND HEARTY SOUPS

Hale & Hearty has taken the same fresh, simple, and homemade approach to our new pasta sauces that has made us NY's favorite soup for more than 20 years. These sauces are a tribute to all the kitchen pioneers we grew up with, you know them as Mom, Dad, Grandma, etc..... Serve them hot as the perfect ingredient for all your pasta, pizza, and specialty sandwich needs and / or repack them into quarts for the home flavor experience.

MARINARA SAUCE

Chunky, robust, and made with fresh tomatoes, this sauce is perfect for pasta, pizza, sandwiches and more!

MEAT SAUCE

This thick and hearty sauce has bright tomato flavor and loads of ground beef. Ideal for lasagna, pasta, and (when nobody is looking) a personal snack by the spoonful!

ARRABBIATA SAUCE

Perfectly pureed, our spicy tomato sauce is simmered in small batches to allow all the fresh ingredients to shine through. This intense flavor only comes from being homemade, our kitchen may just be a little bigger than yours!

VODKA SAUCE

A smooth, creamy sauce featuring tomatoes, basil, parmesan cheese, cream, and a splash of vodka.
