Infinite photos.....	142
Dragon curves.....	144
Fidget fun.....	146
Kirigami streamer.....	148

SAFETY FINE PRINT

You should follow the activities, instructions and warnings in this book carefully to make sure you don't injure yourself. Make sure that an adult supervises any activity where the instructions say so, and that you use all ingredients and tools in accordance with the instructions. Some activities might involve dangerous substances. Do not allow those dangerous substances to touch you, particularly your eyes and mouth.
