STEINER SHIPYARD

Bayou La B�tre AL

Most recent update: April 24, 2021.

Clarence Steiner founded Steiner Shipyard in 1954; he sold it to to his son, Russell, in 1969, and Russell turned it over to his daughter, Tara, in 2000, and started a separate yard, called Steiner Construction, which has its own table here. Visit them at www.steinershipyard.com. The yard used to be on the north side of the bayou, immediately above the bridge, but moved to the sout about 2000; see it from the air on Google here.
