## Flagging Rate Agreement

When Contractors have men and equipment working within 25 feet on either side of the railroad track centerline, Federal Regulations mandate protection must be provided by qualified railroad flagman. Equipment with extensions, such as a crane boom, that are near enough to reach within 25 feet of the track also requires the proper protection.

A contractor must contact the railroad a minimum of 48-hours unless stipulated in order to schedule and receive approval from the Roadmaster or Division Engineer to provide the protection. Below are the Flagging Rates to be invoiced to the Contractor or the State Agency for flagging work completed within the 25 feet of the Railroad Right-of-Way per the Agreement.

- \$100.00 Per hour with a 4-hour minimum
- \$150.00 Per hour for all hours over 8-hours in any week day
- \$150.00 Per hour up with a 4-hour minimum up to eight hours on Saturday's
- \$150.00 Per hour for all hours over eight on Saturday's or up to eight hours on Sunday's or holidays

Please sign that you acknowledge the rates to be invoice for flagging hours completed by the Railroad.
