Nebraska Head Coach Mike Anderson

On the game:

"Our style of baseball is to do the little things right. We just needed a few more runs. Our day was summed up by mental errors we made. Gave up too many walks and too many small errors that cost us. We have a team that can overcome the mental errors, but today we didn't overcome them."

On Baylor pitcher Shawn Tolleson:

"He stayed in the zone and limited his walks. He did a good job. The key for them was getting on top early."

On Nebraska's effort:

"Our energy and motivation was there, we just didn't get the win today. Lets go out and win one on Friday and then win one on Saturday and then set what happens from there."

Sophomore Tyler Farst

On playing in the outfield as opposed to the infield:

"I have been mainly sticking at first base a lot more. I should have taken more reps and been better prepared for it. It is just a matter of repetition for me."

On Baylor pitcher Shawn Tolleson:

"He did a great job today. He was Inside on righties and outside on lefties. He did a great job of filling up the zone with all of his pitches. He just pitched a great game."
