Kansas State Head Coach Brad Hill

On the Nebraska pitcher Johnny Dorn:

"I thought we let him off the hook and with 14 guys left on base there is a lot of pressure on him. I know he is a great pitcher and he did some things that we have not seen but he is just a fierce competitor and you have to give him credit. I don't think he was as sharp as what he had been against us in the past but again he is just a fierce competitor and when he needs to make big time pitches, he can do it."

On Kansas State pitcher Chase Bayuk:

"Chase gave us exactly what we needed and he gave us a quality start and that is what we were hoping for was for him to get to the fifth and I thought he did a great job today and I am really proud of him."

Kansas State Junior Catcher Rob Vaughn

On the game:

"Like Coach Hill said, that has been the story with us throughout the year thus far because we have had guys in scoring position all year long and that has been something we have been battling."

On Nebraska pitcher Johnny Dorn:

"I felt good because I thought that he had to come to me, which he did. But obviously he did not throw it down the middle, he made some good competitive pitches against me and like I said I didn't quite get the job done."
