Baylor head coach Steve Smith

Opening statement:

"I think for us, we didn't have much of a game on the mound. I really thought offensively we weren't bad, I think Oliver when he is fresh, when he is on like he was early in the game, I think he is as good as any left-hander that's been in the league for a long time."

On Baylor's offense, pitching and the weather:

"I really think our guys were competing extremely well. Our opponents came in hitting slightly over two hundred against him (Andrew Oliver). We were able to get some hits, but we could not do anything real successful on the mound. I'm willing to give them a bit of credit for that because they have some pretty good offensive players, and this is an offensive night here for the right-handed hitters with the wind blowing out and you're not going to win any baseball games giving up 18 hits."
