Oklahoma State head coach Frank Anderson

On the win:

"Obviously we haven't won down here in a while. We were fortunate we scored some runs and Andy settled in the middle of the game. For us to score like this is big. It gives us some confidence. We needed a win down here."

On Rebel Ridling's grand slam in the top of the seventh:

"Rebel's home run was huge right there. It separated it where it could be a 10-run game and we could save some pitching."

Oklahoma State senior first baseman Rebel Ridling

On the six-run third inning:

"It's huge. It's good to take pressure off our pitchers. Andy has picked us up a lot this year on his starts. It's nice to pick him up on one where he can just relax and throw."

On the grand slam in the top of the seventh:

"I was just trying to hit a ball hard. There were two outs and I was just trying to put a good swing on one and hit it hard. I just got a good pitch to handle."

Oklahoma State sophomore pitcher Andrew Oliver

On the run support:

"I was able to go out there and pound the strike zone and hopefully let the guys get themselves out."
