Texas A&M head coach Rob Childress

On the game:

"I told the players before the game we need to pitch and play good defense and the rest will take care of itself; we definitely did that today. We made all the routine plays; Kyle made an incredible play in centerfield to keep the momentum on our side in the seventh inning. We were also able to take advantage of some of their mistakes."

On Texas A&M freshman pitcher Barret Loux:

"I thought he located his fastball on both sides of the plate and threw his changeup for a strike when he needed to. He didn't throw one breaking ball today."

Texas junior outfielder Kyle Colligan

On what Texas A&M's win means:

"I think today was our championship game and we did a great job of executing. We hit the ball well when we needed to. This is a big time win. We have regionals and super regionals to look forward to."
