No. 8 Baylor vs. No. 9 Iowa State

Quotes

Iowa State Interim Head Coach Gary Hines:

Opening Statement:

"This is a tremendous win for our program. We have fought through a lot this year, and I thought our pitcher did an outstanding job of staying with it. Our hitters did a great job of adjusting to the pitches and hitting the ball."

On pitching out of a couple of jams late:

"She has really been an amazing freshman. She has that ability that you can't teach to make a big pitch when she needs to. She did a great job battling through the game and sticking with it."

On playing Texas A&M tomorrow:

"I haven't even thought about it, I am just glad to get through this one right now. A&M is going to be a tough opponent, but we have seen them before, and I feel we are playing better. We will see what happens"

Baylor Head Coach Glenn Moore:

On Brette Regan's performance:

"That was one of the best games I have seen her play. Clutch. It looked like the way she played last year. She was in the box so much last year when the game was on the line, and she gave us a couple of opportunities to win tonight in that same position."

On the disappointment of the season as a whole:

"It was a tough year. We were a young team and played that way. Although we had some experienced players out there. Hopefully this we be kind of a pruning effect and we will become more coachable in some areas that we didn't do well in this year. WE have to do better next year. We are going to be a year older, and hopefully have some kids in the box that want to be there when the game is on the line. That is the nature of this game, you are going to have a lot of opportunities to win ball game's and you have to have some kids step up and get it done."
