## Kevin L. Weiberg

Commissioner

Kevin L. Weiberg was selected as the second Commissioner of the Big 12 Conference on Oct. 8, 1998, and officially began his duties on Dec. 4, 1998.

Under his leadership the Big 12 is regarded as one of the nation's top conferences and has made solid progress in areas of national competitive success and television exposure, conference championships, and football bowl agreements. In his tenure, the conference has also implemented a firm fiscal policy and continues to explore avenues to expand revenues. For the 2003-04 year, the Big 12 distributed a record \$101 million to its member institutions, surpassing the previous high of \$89 million from the 2002-03 academic year. The \$12 million increase is the largest from one year to the next in the eight-year history of the Big 12 and nearly doubles the first allocation of \$54 million in the conference's inaugural year of 1996-97.

Weiberg continues to play a national leadership role in collegiate athletics. On July 1, 2004, he begins a two-year term as coordinator of the Bowl Championship Series. He previously served a three-year term on the NCAA Division I Men's Basketball Committee and completed a two-year tenure as chair of the Division I-A Collegiate Commissioners' Association.

Weiberg has renewed and enhanced the Conference's commitment to student-athlete academic performance and has revised its policies in the areas of sportsmanship and rules compliance. He has been instrumental in initiating the Group of Six Conference reform discussions which has helped produce significant momentum within the NCAA system for national academic reform.

During Weiberg's tenure a number of Big 12 sports have achieved national success. Since 1998, 17 NCAA championships have been won by conference teams. The conference has had an unprecedented seven men's and women's basketball teams advance to their respective Final Fours in the past three seasons. The Big 12 also has sent eight teams to BCS bowls in the previous six seasons. In 2003-04, the league reaped many benefits with two NCAA titles, two BCS football teams, one team in the men's Final Four, and one team each in the Women's College World Series and the College World Series.

Prior to joining the Big 12 Conference, Weiberg worked in conference operations for almost 10 years at the Big Ten Conference, beginning as Associate Commissioner/Chief Operations Officer before being promoted to Deputy Commissioner.

His professional career began with a 1979-80 post as Sports Information Director at Wayne State (Neb.) College. Weiberg moved to Wichita State University from 1980-87. He was Sports Information Director at WSU from 1980-83, Assistant Athletics Director for Marketing/Fund Raising from 1983-86, and became Associate Director of Athletics in 1986-87. Weiberg then served as Associate Director of Athletics at the University of Maryland from 1987-89.

The Anthony, Kan., native earned a Bachelor of Science degree in Education from Kansas State University in 1978 and Master of Science degree in Athletics Administration from Western Illinois University in 1979.

Born July 7, 1956, Weiberg is married to the former Susan K. Latta (August 12, 1976), and they have three children: daughters Erika (18), Jenna (15) and son Garrett (13).

## Dan Beebe

Governor Sundquist also appointed Kelley to the Carroll County Watershed Authority, where he currently serves as Secretary/Treasurer. Kelley Sports Complex, the impressive, state-of-the-art sports complex in Huntingdon was named for Kelley in 1998. In the summer of 2000, a 12-mile portion of State Route 22 from Interstate 40 to Huntingdon was named the Dale Kelley Highway.

Kelley has invested a lifetime in sports. In recognition of his outstanding athletics careers in basketball and baseball at Bethel College in McKenzie, Tenn., he was inducted into the Bethel College Hall of Fame in 1981. In 1985 he received Bethel College's outstanding Alumni Achievement Award. He was also inducted into the Tennessee Secondary School Athletic Association (TSSAA) Hall of Fame in 1998 and the Carroll County Sports Hall of Fame in 2002 and the Tennessee Sports Hall of Fame along with Pat Head Summitt and Watson Brown.

Kelley and his wife Carlene have three children — Amanda, Meredith, and Cliff — and four grandchildren.

## Big 12 Life Skills & Special Olympics

Two key aspects in the "Total Person" education of Big 12 Conference student-athletes are the life skills programs and key assistance for Special Olympics.

Both areas have been integral parts of the Big 12 Conference mission since its inception and continue to be significant and were augmented in 1996 by Dr. Prentice Gautt, a trendsetter in college athletics, life skills, student services, and community action as well as the first African-American football student-athlete at the University of Oklahoma.

With the assistance of Dr. Gautt (Special Assistant to Commissioner Kevin Weiberg), directors of student services and other key agencies, this group of talented youngsters has provided feedback for Big 12 administrators. The Student-Athletes Advisory Committee has been proactive in promoting NCAA legislation, providing feedback to the Conference Office, and conference representatives in guidelines for Big 12 academic honor teams, the Commissioner's Honor Roll and other areas of recognition for classroom accomplishments.

Recent SAAC meetings also have included visits to children at area medical facilities as well as input for service projects for student-athletes throughout the league.

Besides such life skills' and athletics' areas as eligibility concerns, time spent between studies, events and practice sessions, placement in the business world, or graduate school opportunities, the program emphasizes "Stay in School" motivational speeches, anti-violence messages, anti-

drug/addictive behavior, "YES," and other community-designed programs.

Both life skills and Special Olympics receive ample coverage in Big 12 publications through such areas as the Community Champions Awards often featured on the Big 12 Showcase telecasts. They also are given pregame and halftime scoreboard recognition slots at all conference schools, scholarship programs, and a series of free clinics in such sports as youth football, soccer, volleyball, men's and women's basketball, softball, and baseball, among others. A conference-wide printed and electronically-distributed newsletter for life skills also has been produced, and several schools promote similar publications or on-line information.

Special Olympics, the Big 12's charity of choice since May, 1996, has held a special place in the hearts of many in the conference for years before current association.

The Big 12 works closely with the statewide Special Olympics' organizations in Colorado, Iowa, Kansas, Missouri, Nebraska, Oklahoma, and Texas to coordinate projects, provide information, and invite Olympians to attend events such as media or fan appreciation days for various Big 12 sports.

For five decades current Big 12 members have provided facilities with a combined capacity of just over one million fans for Special Olympics' competition in the always-popular sports of track and field, softball, swimming and diving, weightlifting, and wrestling. The national program, which was founded by members of the extended family

of late President John F. Kennedy and which receives financial support from worldwide charitable sources, has earned the title "Most Credible Charity in America" in a survey by Chronicle of Philanthropy and "Top Charity" among Time Magazine subscribers.

Specifically, some cooperative highlights of the Big 12 and Special Olympics have been public service announcements appearing on most league telecasts, donations to the charity by Big 12 student-athletes and fans, clinics with league coaches, student-athletes and interaction with the Olympians, and special seasonal camps in several sports. Both regionally and nationally, there has been Big 12 involvement in Special Olympics' meetings. Conference schools and the league office also have helped to arrange for Big 12 head coaches, student-athletes, and administrators to meet with their Special Olympics' counterparts. Many Big 12 school dignitaries also have devoted their talents to opening ceremonies and awards' events.

The chances to create dialogue, friendship and hugs among the Special Olympians and interested groups from Big 12 schools have brought both groups ample satisfaction.

Coaches and student-athletes from throughout the Big 12 Conference take pride in working with Special Olympics.

# Big 12 Academic Programs

Performance in the classroom is just as important as accolades on the field when looking at the student-athlete. The Big 12 Conference recognizes student-athletes in four areas for academic achievement. Those areas include the Commissioner's Honor Roll, Academic All-Big 12 teams, the Phillips 66 Big 12 Classroom Champions, and the Big 12 Dr. Prentice Gautt Postgraduate Scholarship.

## Commissioner's Honor Roll

Acknowledging all participants, the Big 12 Commissioner's Honor Roll is an inclusive honor for all sports sponsored by the membership of the league. The Honor Roll is recorded and released each semester and recognizes those student-athletes who registered a 3.0 or better grade point average the previous semester.

Submitted through the Directors of Student-Athlete Support Services at each institution, those honored are not necessarily the stars on the field and court but those who participate on the team. They include the letterwinners and non-letterwinners and recognize every student-athlete who has excelled in the classroom.

More than 2,000 Big 12 student-athletes are named to the Commissioner's Honor Rolls each of semester.

## Academic All-Big 12 Teams

Recognizing those student-athletes who excel in the classroom and on the field and court, the Big 12 has academic all-conference teams for 19 sports.

Nominated by the Directors of Student-Athlete Support Services and the Athletic Media Relations Directors, members of the all-academic teams have posted at least a 3.0 grade point average either cumulative or the previous two semesters and are regulars, i.e. letterwinners, on his or her respective team. First-team honorees are regulars who have at least a 3.25 grade point average.

Last year a few academic teams in the Big 12 exceeded 100 recognized by the conference. In addition, student-athletes gained recognition by being named to the Verizona/CoSIDA Academic All-America teams.

## Phillips 66 Classroom Champion

As Phillips 66 Big 12 Classroom Champions, the conference recognizes 30 student-athletes per school who have excelled on the court and in the classroom. Chosen through the Big 12 membership, those honored are recognized throughout the year on the Big 12 telecasts, Fox Sports Net and ESPN Regional Television.

## Dr. Prentice Gautt Big 12 Postgraduate Scholarships

With 48 student-athletes from all Big 12 schools honored over the last two years, the Dr. Prentice Gautt Postgraduate Scholarships' list has grown to 105 recipients since the 1996-97 academic year.

Additional funding prior to the 2002-03 selection process allowed each school to name two outstanding scholars to the annual list of honorees. Conference officers also voted to name the postgraduate scholarship program awards after Longtime Big 12 and Big Eight Conference Associate Commissioner and student services' pioneer Dr. Prentice Gautt in 2004.

The all-time group has solid representation of scholars throughout the 21 sponsored Big 12 sports and has provided just under \$500,000 (\$492,600 in all) through the 2003-04 academic year for financial aid. Three faculty representatives, one senior woman administrator and one director of athletics form the selection group for the prestigious awards, which help the youngsters to continue their formal education. Since its inception the Dr. Prentice Gautt Postgraduate Scholarship program has produced over a dozen physicians, several attorneys for the underprivileged, college professors, Peace Corps volunteers, financial planners, and numerous coaches and athletics administrators.

Criteria for these awards include a cumulative grade point average of 3.500 on a 4.0 scale, participation in at least two years of intercollegiate athletics at the scholar-athlete's respective institution, and completion of athletics' eligibility. The scholar-athletes also must graduate from their respective member institutions within 15 months of their selection as postgraduate scholarship recipients and are expected to enroll in graduate/professional schools within 15 months after they graduate.

The \$2,500 individual annual grants began in 1996-97, were raised to \$5,000 in 1999 and climbed to \$6,900 after the 2003-04 term. All 24 honorees for 2003-04 were named to

Academic All-Big 12 Conference teams as well as the Big 12 Commissioner's Honor Roll.
