Big 12 Conference Sportsmanship Statement

The member institutions of the Big 12 Conference are committed to competition in an arena where sportsmanship and the sense of fair play take center stage. Whether on the field, within the community or in the classroom, those who make up the Big 12 -- its administrators, coaches, game officials, and student-athletes -- support the highest ideals in sportsmanship.

At the heart of sportsmanship is the commitment of the institutions towards respect for the opposition and those officiating contests in the 21 sports sponsored by the Big 12. It is with a sense of fair play that a true sporting demeanor in the spirit of intercollegiate competition can be created and maintained with a total regard for the welfare of student-athletes, coaches, support personnel and spectators.

Sportsmanship on the field of play is governed by Conference rules and guidelines, as well as those established under the NCAA and amateur organizations. It is the responsibility of game officials and administrators to see to strict adherence to these guidelines. The behavior of spectators is managed by event personnel, who are encouraged to deal with interference or abuse of appropriate sporting behavior in the strictest of methods.

The Big 12 Conference and its member institutions appreciate the support of the majority of fans who wish to create an atmosphere of competition that allows the participants to showcase the game and their respective skills.

BIG 12 WOMEN'S BASKETBALL

The Big 12 Conference - Success on the Field and in the Classroom

The Big 12 Conference has been synonymous with success in competitive play and in the classroom as it enters its 12th season, and league members anticipate continued success during the 2007-08 academic year.

In the first 11 years of the Big 12, the conference can boast of 30 team and over 350 individual NCAA Championships. The success continued this past season, with team titles in men's cross country (Colorado) and women's volleyball (Nebraska) in addition to numerous individual crowns.

Over the past three seasons alone a total of 11 NCAA trophies have been hoisted by Big 12 institutions, with at least one national crown won in 10 of 11 years for the conference, including each of the past 10 seasons.

Through the first nine Bowl Championship Series title games, the Big 12 leads all conferences with five appearances in the contest. Big 12 squads have played for the football national championship five times in the last eight years, with berths in 12 BCS games overall.

In basketball, eight men's and women's teams have advanced to their respective Final Fours in the past six seasons as the Big 12 continues its place among the elite intercollegiate athletic conferences. Numerous national honors have been won by men's and women's student-athletes during conference history, with Kevin Durant (Texas) the most recent to garner accolades as the consensus 2007 National Player of the Year.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

Big 12 student-athletes also do well in garnering national academic recognition. This past season, two league standouts were named the Academic All-America of the Year in their sport by ESPN The Magazine and the College Sports Information Directors of America. Nebraska's Sarah Pavan (volleyball) boasted a 4.0 grade-point average in Biochemistry, while Aaron Ivey of Oklahoma (baseball) has a 4.0 GPA in Energy Management. Pavan also won the national academic honor presented for all sports. In addition, she was named recipient of the prestigious Honda-Broderick Award as Collegiate Woman Athlete of the Year. She is the first athlete since the Big 12 was formed to earn the accolade.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons.

At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsperson of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships at the end of each academic year.

A total of 177 scholars have received more than \$1 million in postgraduate financial aid through the first 10 years of the program.

The Big 12 sponsors 21 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, golf, gymnastics, indoor track & field, outdoor track & field, soccer, softball, swimming, tennis and volleyball.

The conference is made up of 12 institutions that have shared many traditional rivalries throughout their histories. Member schools include - Baylor University, University of Colorado, Iowa State University, University of Kansas, Kansas State University, University of Missouri, University of Nebraska, University of Oklahoma, Oklahoma State University, University of Texas, Texas A&M University and Texas Tech University.

The institutions created a league that encompasses seven states, over 45 million people and more than 18 million television households within its geographic footprint.

The conference conducts championships for 20 of its 21 sports. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition. The winner of the Big 12 football championship game earns the league's berth into the prestigious Bowl Championship Series.

In the last several years the Big 12 has increased its bowl agreements and expanded television opportunities for all sports through contracts with ABC/ESPN, FSN and CSTV. Most recently, the league renewed and expanded its multi-year arrangement with ABC/ESPN, Inc.

In its 11-year history, the conference has distributed \$913.2 million to its 12 member institutions.

The Big 12 staff administers to over 4,600 student-athletes in 21 sports. The conference is headquartered in Irving, Texas.

Academic Programs

Performance in the classroom is just as important as accolades on the field when looking at the student-athlete. The Big 12 Conference recognizes student-athletes in four areas for academic achievement. Those areas include the Commissioner's Honor Roll, Academic All-Big 12 teams, the Phillips 66 Big 12 Classroom Champions, and the Big 12 Dr. Prentice Gautt Postgraduate Scholarship.

COMMISSIONER'S HONOR ROLL

Acknowledging all participants, the Big 12 Commissioner's Honor Roll is an inclusive honor for all sports sponsored by the membership of the league. The Honor Roll is recorded and released each semester and recognizes those student-athletes who registered a 3.0 or better grade point average the previous semester.

Submitted through the Directors of Student-Athlete Support Services at each institution, those honored are not necessarily the stars on the field and court but those who participate on the team. They include the letterwinners and non-letterwinners and recognize every student-athlete who has excelled in the classroom.

More than 2,000 Big 12 student-athletes are named to the Commissioner's Honor Rolls at the end of each of semester.

ACADEMIC ALL-BIG 12 TEAMS

Recognizing those student-athletes who excel in the classroom and on the field and court, the Big 12 has academic all-conference teams for all sports.

Nominated by the Directors of Student-Athlete Support Services and the Athletic Media Relations Directors, members of the all-academic teams have posted at least a 3.00 grade point average either cumulative or the previous two semesters and are regulars (i.e. letterwinners) on his or her respective team. First-team honorees are regulars who have at least a 3.20 GPA.

Last year, a few academic teams in the Big 12 exceeded 100 student-athletes recognized by the conference. In addition, student-athletes have gained recognition by being named to ESPN The Magazine/CoSIDA Academic All-America teams.

PHILLIPS 66 CLASSROOM CHAMPION

As Phillips 66 Big 12 Classroom Champions, the conference recognizes 30 student-athletes per school who have excelled on the court and in the classroom. Chosen through the Big 12 membership, those honored are recognized throughout the year on the Big 12 telecasts, FSN and ESPN Regional Television.

DR. PRENTICE GAUTT SCHOLARSHIP PROGRAM

With 120 student-athletes from all Big 12 schools honored over the last five years, the Dr. Prentice Gautt Postgraduate Scholarships' list has grown to 177 recipients since the 1996-97 academic year.

Additional funding prior to the 2002-03 selection process allowed each school to name two outstanding scholars to the annual list of honorees. Conference officers also voted to name the postgraduate scholarship program awards after longtime Big 12 and Big Eight Conference Associate Commissioner and student services' pioneer Dr. Prentice Gautt in 2004. Dr. Gautt passed away on March 17, 2005.

The all-time group has solid representation of scholars throughout the 21 sponsored Big 12 sports and has provided \$1,025,600 through the 2006-07 academic year for much-needed financial aid. Three faculty representatives, one senior woman administrator and one director of athletics form the selection group for the prestigious awards, which help the students to continue their formal education. Since its inception the Dr. Prentice Gautt Postgraduate Scholarship program has produced over a dozen physicians, several attorneys for the underprivileged, college professors, Peace Corps volunteers and positions of national prominence.

Criteria for these awards include a cumulative grade point average of 3.500 on a 4.0 scale, participation in at least two years of intercollegiate athletics at the scholar-athlete's respective institution, and completion of athletics' eligibility. The scholar-athletes also must graduate from their respective member institutions within 15 months of their selection as postgraduate scholarship recipients and are expected to enroll in graduate/professional schools within 15 months after they graduate.

The \$2,500 individual annual grants began in 1996-97, were raised to \$5,000 in 1999 and increased to \$6,900 prior to the 2003-04 term. In 2006-07, the awards climbed to \$7,500. Most honorees in recent years have also been named to Academic All-Big 12 Conference teams as well as the Big 12 Commissioner's Honor Roll.

Big 12 Good Works Team

In recognition of the community service efforts by Big 12 student-athletes, the Conference established Good Works Teams, beginning with the 2006-07 academic year. Each member institution selects a student-athlete for recognition based upon significant community service, good academic standing and participation in a Big 12 sponsored sport. The 12-person Good Works Teams were chosen for the fall (football, cross country, volleyball, soccer), winter (men's basketball, women's basketball, swimming) and spring sports (golf, tennis, track & field, softball, baseball).

The Big 12 has annually recognized its top male and female athletes of the year since the inception of the conference. The Athlete of the Year Awards are selected by a media panel based on athletic performance, academic achievement and citizenship within the academic year of nomination.

In 2006-07, the winners were Sarah Pavan (Nebraska volleyball) and Ben Askren (Missouri wrestling).

Pavan was the 2006-07 Honda-Broderick Cup winner as the top female student-athlete in the nation after leading the Husker volleyball team to the 2006 National Championship. She was the second Division I volleyball player in NCAA history to earn both American Volleyball Coaches Association National Player of the Year and College Sports Information Directors of America Academic All-America of the Year in the same season. Pavan also garnered Volleyball Magazine National Player of the Year in addition to AVCA All-America First Team.

The junior right-side hitter was the 2006 Big 12 Player of the Year and named to the All-Big 12 First Team. Pavan was the Most Outstanding Player of the 2006 NCAA Championship and listed on the 2006 Gainesville Regional All-Tournament Team. She led Nebraska to a 33-1 record and No. 1 national ranking the entire season.

Askren was the 2006 and 2007 National Champion and a four-time All-America wrestler at 174 pounds. He won the Big 12 Championship in his weight class three times in addition to being named a two-time Dan Hodge Award winner - wrestling's equivalent to the Heisman.

The Columbia, Mo., senior was the Schalles Award Recipient in 2007 as the most dominant pinner in the nation. He was also two-time Rev Wrestler of the Year while earning four tournament titles this past season. Askren was the Southern Scuffle Most Outstanding Wrestler in 2005 and 2007. The scholar-athlete was a four-time Academic All-Big 12 honoree and three-time National Wrestling Coaches Association All-American in academics.

Sportsperson of the Year

The Sportspersons of the Year Award was started prior to 2000-01 to annually recognize student-athletes who displayed an extraordinary degree of sportsmanship and/or community service during the academic year. The awards are selected by a media panel. The 2006-07 honorees were Amanda Costner (Kansas women's golf) and Carl Pendleton (Oklahoma football).

Costner spent nine hours a week with the Douglas County (Kansas) Truancy Diversion Program to work with local children who have not shown a commitment to attending school. She has volunteered to serve breakfast for the Jubilee Cafe, a non-profit organization that provides food to those in need and was an active volunteer in the Kansas athletics community service programs, including *Hawks, Cops and Kids*; *Fun and Fitness with the Jayhawks* and *Adopt-An-Angel* project.

Pendleton opted to bypass his senior year of eligibility at Oklahoma, in part, to care for his 11-year-old stepbrother, whom he has legally adopted as a single parent. He has been active on OU's Student-Athlete Advisory Committee and Bridge Builders, as well as serving as president of the school's Fellowship of Christian Athletes chapter for three years. He has taught a boys' Sunday School class the past three years, served as a volunteer at the Junior Sooner Sports Camp, in addition to working with Children's Hospital, local elementary schools and Big Brothers/Big Sisters of Oklahoma.

BIG 12 WOMEN'S BASKETBALL

Phillips 66 Big 12 Women's Basketball Championship

The 2008 Phillips 66 Big 12 Women's Basketball Championship returns to Kansas City's Municipal Auditorium for the eighth time in conference history. Kansas City hosted the first six women's postseason events from 1997-2002, in addition to the 2005 championship.

Municipal Auditorium opened in 1936 and has hosted nearly every type of event from U.S. presidential campaigns to NCAA Final Four championships. It has hosted more Final Fours than any other facility with nine total as well as the NCAA Women's Basketball Midwest Regionals in 2000 and 2005.

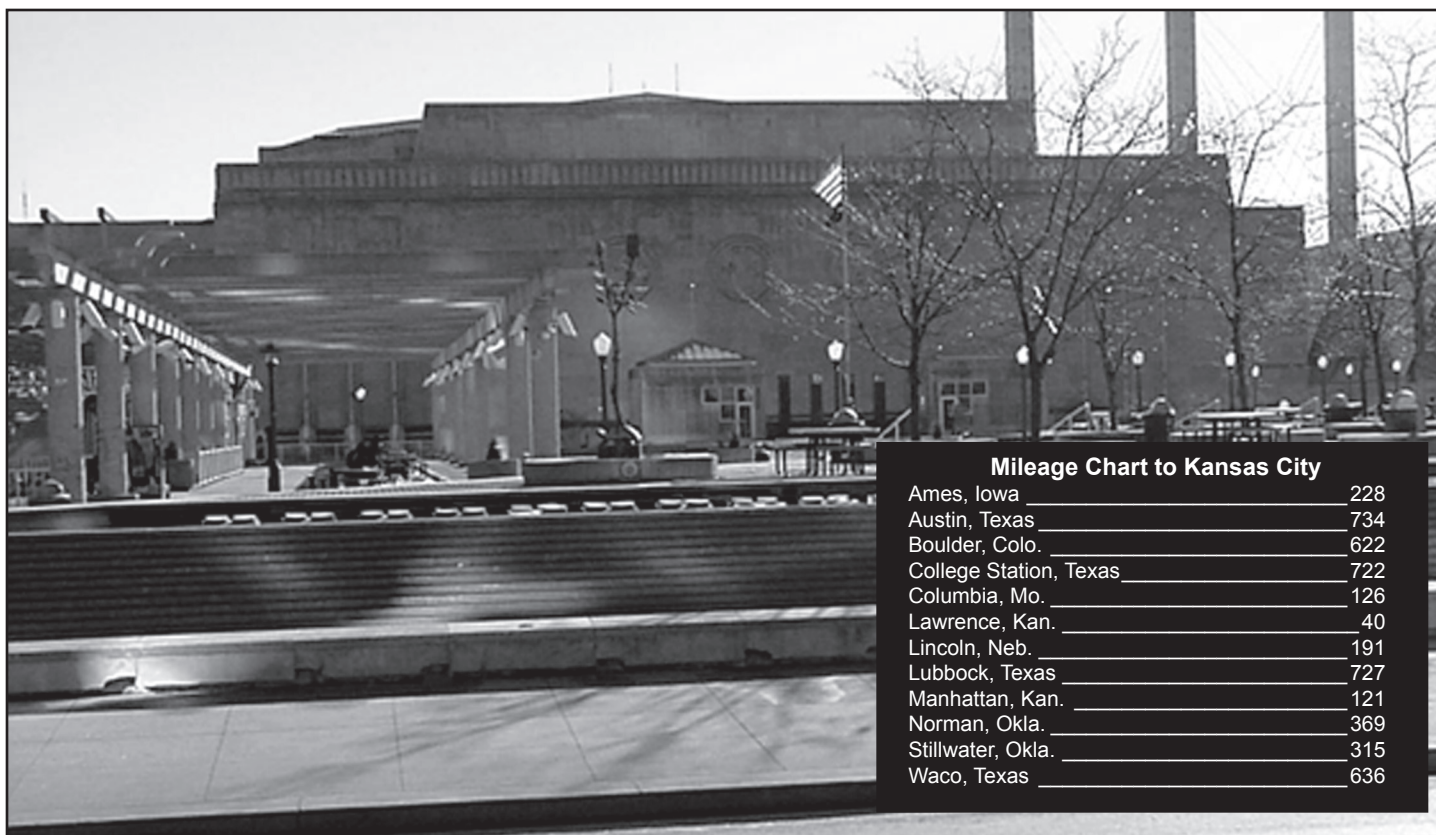

The arena can seat 10,700 people with 7,300 permanent upholstered seats. Municipal Auditorium features a 92-foot ceiling and a 26,200 square foot floor built of oak two-by-fours set on end. Special sports lighting can be lowered to provide intense lighting at the center of the floor. Renovations, including the scoreboard and locker rooms were completed prior to the 2005 championship.

The auditorium is accessible from the south side of 13th Street where visitors enter through the splendid 3,600-square foot Grand Foyer. The arena is also connected by covered walkways to Bartle Hall, the Conference Center and the Auditorium Plaza Garage. It is a short walk to the newly-opened Sprint Center, site of the Big 12 Men's Basketball Championship.

BIG 12 WOMEN'S BASKETBALL

Officiating

The Women's Basketball Officiating Consortium (WBOC) begins its sixth year as a multi-faceted and enhanced officiating service for the member institutions from eight conferences.

The WBOC was officially launched on July 1, 2002, when the Big Ten Conference, Conference USA, Horizon League, Summit League (formerly known as the Mid-Continent) and Great Lakes Valley Conference partnered together to create a program that focuses on the identification, recruitment, evaluation, training, education and assignment of officials on a year-round basis. The WBOC aligned with the Mid American Conference prior to the 2005-06 season, the Missouri Valley Conference prior to the 2006-07 season and welcomes the Big 12 Conference as its newest partner for the 2007-08 campaign.

Patty Broderick serves as coordinator of officials for the WBOC. The 30-year basketball officiating veteran assumed this role in 2002-03 after having served as the Big Ten's coordinator of women's basketball officials since 1987. Broderick was an official in the WNBA and has extensive high school, college and international officiating experience. She also was on the committee that coordinated the inaugural 1999-2000 Women's Basketball Officiating Manual. Broderick began officiating in 1972, while coaching grade school basketball. She officiated the Indiana State High School Basketball Tournament, working the finals in 1982 and '83.

The inaugural winner of the Naismith Female Basketball Official of the Year Award in 1988, Broderick became the first woman to officiate women's basketball at the Pan American Games in 1987. Also, she was one of two U.S. basketball officials at the 1988 Seoul Olympics. Broderick worked as an NCAA Basketball Tournament official from 1986 to 1992, including five Women's Final Four appearances.

Broderick attended Indiana University-Purdue University at Indianapolis and majored in physical education. She resides in Indianapolis. Her daughter, Jamie, graduated from Denver University and was a member of the school's basketball team.

Big 12 Scheduling and Championship Tiebreaker

Scheduling Format

For scheduling purposes, the Big 12 is divided into six-team divisions. All teams will play a schedule which consists of a double round-robin within their division and single games against all teams in the opposite division for a total of 16 conference games. The team(s) with the best winning percentage in the 16 conference games is declared the Big 12 regular season champion(s).

Championship Tiebreaker Procedure

Following is the procedure for breaking ties in seeding for the Big 12 Basketball championships (men's and women's). Championship seeds are ranked 1-12 based on conference winning percentage. Ties are only broken for seeding purposes. If two or more teams tie for first in the final regular season rankings, multiple champions are crowned.

- (a) If two teams are tied and they are from different divisions, the winner of the game between the two tied teams shall be the higher seed.
- (b) If two teams are tied and they are from the same division, the team with an advantage in head-to-head competition shall be the higher seed.
- (c) If two teams remain tied, there will be a comparison of overall record against division teams only (10 divisional games).
- (d) If two teams remain tied, there will be a *comparison of record against the highest ranked team(s) (based upon Conference winning percentage) in the division and proceeding through in order of divisional finish.

(e) If two teams remain tied, there will be a *comparison of record against the highest ranked team(s) (based upon Conference winning percentage) in the opposite division and proceeding through in order of divisional finish.

(f) If two teams remain tied, the higher seed will be chosen by draw.

(g) If three or more teams are tied, ties among divisional opponents will be broken by using steps (b) through (f) and the head-to-head results will be used to break ties between non-divisional teams. When three or more teams from the same division are tied step (b) will consist of a mini-round robin among those tied teams. At any point during the process of breaking ties among three or more teams that the number of tied teams are reduced to two, head-to-head competition would be used as the primary tiebreaker, followed by steps (c) through (f).

***Note:** When comparing against the 'highest' ranked team(s) in either division, the comparison will be based upon how tied teams did against all teams in a given placement, rather than a team that wins a tiebreaker at another position. For example, if two teams are tied for fifth and two teams are tied for first, the head-to-head comparison would be how the fifth place teams did against the first place teams combined, and vice versa.

BIG 12 WOMEN'S BASKETBALL

Commissioner Dan Beebe

Dan Beebe was named the third commissioner of the Big 12 Conference on September 5, 2007, after serving as senior associate commissioner and chief operating officer of the league since February 2003.

While in that role, Beebe handled issues related to governance, national policy and legal affairs in addition to coordinating the day-to-day activities of the conference office. He also served as the conference liaison to the Big 12 board of directors. Beebe has been involved in the league's site selection for future championships, extending television contracts and enhancing football bowl opportunities. In addition, he has been active in establishing the conference's sportsmanship policies and procedures.

Prior to joining the Big 12, Beebe was commissioner of the Ohio Valley Conference from 1989-2003. During his 14-year tenure at the OVC he served on the NCAA Division I Management Council, chaired the I-AA Governance Committee, and was on several Collegiate Commissioners Association committees, in addition to various NCAA assignments, including the Athletics Certification Committee.

Under his direction the OVC added five new members. He also placed an emphasis on ethics and sportsmanship within the

league, producing a nationally recognized Sportsmanship Statement and participating in regional and national seminars on the topic.

Among his other highlights at the OVC, Beebe implemented a conference-wide marketing plan that resulted in new revenue streams through corporate sponsorships and other initiatives, and saw television exposure for the league nearly triple.

The 50-year old Washington state native began his career in college athletics in 1982 as an NCAA enforcement representative. Following a one-year stint as assistant director of athletics at Wichita State, he returned to the NCAA in 1987 as director of enforcement.

A 1982 University of California, Hastings College of Law graduate, Beebe lettered in football and was a team captain at Cal Poly Pomona where he earned a degree in social science in 1979. He is a member of the Wash-

ington State Bar Association.

Born on February 27, 1957, Beebe is married to the former Molly Scanlon. Together, they have four children: daughters Jessie and Elaine and sons Matthew and Patrick.

Conference Office and Schools Chosen to Host

NCAA Championship Rounds

The Big 12 has been awarded NCAA Regionals in 2009 and 2010 by the NCAA Division I Women's Basketball Selection Committee. The conference will host the 2009 regional in Oklahoma City's Ford Center and a 2010 regional in Kansas City's Sprint Center, scheduled to open in 2008. In addition, the Big 12 is already making preparations to host the 2008 Oklahoma City Regional.

This marks the first NCAA women's basketball postseason events hosted by the league office since the 1998 Women's Final Four in Kansas City's Kemper Arena. In addition to the regionals awarded to the Big 12 office, Iowa State will host 2008 first and second rounds in Des Moines, Texas Tech entertains first and second rounds in 2009 while Texas hosts first and second rounds in 2010. Colorado, Iowa State, Kansas State, Oklahoma, Texas and Texas Tech have all hosted first and second rounds since the NCAA began using predetermined sites in 2003. Prior to 2003 the top 16 seeds hosted first and second rounds at their home sites.

Kansas City to Host 2008 Big 12 Basketball Championships

Kansas City will host 2008 Phillips 66 Big 12 Basketball Championships for the seventh time in conference history. The women will continue to play in historic Municipal Auditorium while the men make their debut in the new Sprint Center. Future sites for the championships are Oklahoma City (2009) and Kansas City (2010 and 2011).

Oklahoma State Nation's Most Improved Team in 2007

Oklahoma State was recognized by the NCAA as the most improved team at the NCAA Division I level. OSU tied Western Carolina for top billing with a 12.5-game improvement. Kurt Budke's team finished 2007 with a 20-11 record after going 6-22 in 2005-06. The Cowgirls finished sixth in the Big 12 and received a bid to the NCAA Tournament.

Big 12 Players Medal While Representing USA

Courtney Paris (Oklahoma) claimed her fourth gold medal as a member of the USA U21 team at the 2007 FIBA U21 World Championships. Paris is also part of the pool of players on the Senior National Team that will attempt to qualify for the Olympics in the 2007 FIBA Americas Championship.

BIG 12 WOMEN'S BASKETBALL

2007-08 NCAA Women's Basketball Rules Changes

The following rules change proposals below were approved by the Men's and Women's Basketball Rules Committees and by the Playing Rules Oversight Panel (PROP). Unless otherwise indicated, the rules changes will be implemented for the upcoming 2007-08 season.

Courtside Monitor. Rule 2-5.1.a (page 42). The officials shall use the monitor to assess the situation when a fight is declared. Rationale: Officials are currently allowed to use the monitor, but this will require review of a fight situation to ensure that all unsportsmanlike behavior is addressed.

Back Panel of Uniform. Rule 3-5.1 (page 69). When a back shoulder panel is used, it shall extend no more than 3 inches from the shoulder seam, may be arched or horizontal. Rationale: This allows another area for creativity in uniform designs without affecting the visibility of the number.

Uniform Patches. Rule 3-5.7 (page 70). Any commemorative/memorial patches worn on the uniform shall be a maximum of 2 1/4 square inches. Rationale: No size restrictions currently exist.

Uniform Patch Placement. Rule 3-5.7 (page 70). A single commemorative/memorial patch, flag, institutional or conference logo or mascot may be worn at the center of the neckline or apex on the back of the game jersey. Rationale: No patch, flag or logo is currently allowed on this area.

Hair Control Devices. Rule 3-5.15 (page 72). Any item that goes around the head, including headbands or hair control devices, shall be of a single solid color, no more than 2 inches wide with only one institutional or manufacturer's logo and the dominant color of the game jersey or white, black or beige (women only). Hard items including but not limited to barrettes, beads and bobby pins are prohibited. Rationale: This makes hair control devices consistent with the headband rule and adds beige and black as possible colors.

Throw-In Ends. Rule 4-65.5 (page 102). A throw-in shall end when a passed ball is touched inbounds or out-of-bounds by another player on the playing court, before going out-of-bounds. Rationale: This makes the end of throw-ins consistent.

Women Only:

Delay of Game. Rule 9-5.4 (page 157). If an opponent of the thrower-in has any part of her person over the inside plane of the sideline or endline, a delay of game warning followed by an indirect technical foul will be assessed. Rationale: Currently, this is a violation. The loss of possession for a violation is ineffective because the other team already has possession of the ball.

Fouls and Penalties. Rule 10 (page 156). The rule regarding fouls and penalties (Rule 10) will be reorganized into four areas: personal fouls, administrative technical fouls, player/substitute technical fouls and bench personnel technical fouls; with the proper penalty to immediately follow. The rule will also be changed to consistently count technical fouls toward the categories of team-foul count, the five fouls toward disqualification and the two fouls toward ejection. Rationale: This will make the rule consistent.

Legal Guarding Position. The officiating guideline that made it an illegal guarding position when a defensive player's head is under the cylinder and a dribbler becomes an airborne player has been revoked. Rationale: This will make the legal guarding position rule the same for the entire court.

Significant Editorial Changes:

Play-By-Play. Rule 2-14 (page 59). Allow the use of the play-by-play to correct a scoring or book-keeping mistake.

Digital Stopwatch. Rule 2-13.7 (page 58). A digital stopwatch shall be available at the scorer's table. Rationale: A stopwatch is required. This will specify that it shall be digital.

Double Technical Foul. Rule 7-4.1.i (page 131). Add a double technical foul to the list of situations after which the ball shall be awarded out of bounds.

Indirect Technical Foul. Rule 10-2.16 (page 160). An indirect technical foul will be assessed for placing a hand(s) on the backboard or ring to gain an advantage.

Case Book. A case book separate from the rules book will be created for the collegiate basketball. The publication is expected to be issued in September.

Women's Points of Emphasis:

Displacement
Traveling
Unsportsmanlike Behavior
Legal Guarding Position
