### Big 12 Conference Sportsmanship Statement

The member institutions of the Big 12 Conference are committed to competition in an arena where sportsmanship and the sense of fair play take center stage. Whether on the field, within the community or in the classroom, those who make up the Big 12 -- its administrators, coaches, game officials, and student-athletes -- support the highest ideals in sportsmanship.

At the heart of sportsmanship is the commitment of the institutions towards respect for the opposition and those officiating contests in the 21 sports sponsored by the Big 12. It is with a sense of fair play that a true sporting demeanor in the spirit of intercollegiate competition can be created and maintained with a total regard for the welfare of student-athletes, coaches, support personnel and spectators.

Sportsmanship on the field of play is governed by Conference rules and guidelines, as well as those established under the NCAA and amateur organizations. It is the responsibility of game officials and administrators to see to strict adherence to these guidelines. The behavior of spectators is managed by event personnel, who are encouraged to deal with interference or abuse of appropriate sporting behavior in the strictest of methods.

The Big 12 Conference and its member institutions appreciate the support of the majority of fans who wish to create an atmosphere of competition that allows the participants to showcase the game and their respective skills.

## The Big 12 Conference Enters Its Second Decade

Fresh off its 10th anniversary season, the Big 12 Conference begins its second decade of competition in 2006-07. While there have been many proud accomplishments through the first 10 years, the conference and its members anticipate continued success.

Through its first 10 years the Big 12 claimed 28 team and 319 individual NCAA titles. During this past season, conference programs captured national championships in football (Texas), women's indoor track & field (Texas), wrestling (Oklahoma State) and men's golf (Oklahoma State). In addition, 22 individual event titles were also won by student-athletes that compete in the Big 12.

The 2004-05 campaign marked the most successful in conference history with six NCAA championships. Baylor won the crown for women's basketball, becoming the first Big 12 squad to win in that sport. Colorado won both the men's and women's cross country trophies, just the fourth school in NCAA annals to win both in the same year. Oklahoma State regained the top spot in wrestling, winning the national title for the 33rd time. Texas captured its fourth women's outdoor track & field crown, along with its sixth national championship in baseball.

The Big 12 leads all conferences with five appearances in the BCS National Championship game. A Big 12 team has played for the football national championship five of the last six years, and each of the last three. In basketball, an unprecedented eight men's and women's basketball teams have advanced to their respective Final Fours in the past five seasons as the Big 12 continues its place among the elite intercollegiate athletic conferences.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

Competitive excellence, scholarships and sportsmanship are all equal components of the Big 12's philosophy. All-Big 12 teams and All-Big 12 Academic squads are recognized for each sport at the end of their respective seasons.

At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsman of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships at the end of each academic year. A total of 153 scholars have received more than \$845,000 in postgraduate financial aid through the first nine years of the program.

The Big 12 sponsors 21 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming

& diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, golf, gymnastics, indoor track & field, outdoor track & field, soccer, softball, swimming, tennis and volleyball.

The conference is made up of 12 institutions that have shared many traditional rivalries throughout their histories. Member schools include - Baylor University, University of Colorado, Iowa State University, University of Kansas, Kansas State University, University of Missouri, University of Nebraska, University of Oklahoma, Oklahoma State University, University of Texas, Texas A&M University and Texas Tech University.

The institutions created a league that encompasses seven states, over 42 million people and more than 18 million television households within its geographic footprint.

The conference conducts championships for 20 of its 21 sports. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition. The winner of the Big 12 football championship game earns the league's berth into the prestigious Bowl Championship Series.

The Big 12 is under the direction of its third commissioner, Kevin L. Weiberg, who took over the reins in December 1998. Weiberg has led the Big 12 into additional football bowl agreements and expanded television opportunities for all sports through contracts with ABC/ESPN, FSN, TBS and CSTV.

In its 10-year history the conference has distributed \$807.2 million to its 12 member institutions.

The Big 12 staff administers to over 4,600 student-athletes in 21 sports. The conference headquarters recently moved to nearby Irving, Texas, from Dallas.

## Academic Programs

Performance in the classroom is just as important as accolades on the field when looking at the student-athlete. The Big 12 Conference recognizes student-athletes in four areas for academic achievement. Those areas include the Commissioner's Honor Roll, Academic All-Big 12 teams, the Phillips 66 Big 12 Classroom Champions, and the Big 12 Dr. Prentice Gautt Postgraduate Scholarship.

### COMMISSIONER'S HONOR ROLL

Acknowledging all participants, the Big 12 Commissioner's Honor Roll is an inclusive honor for all sports sponsored by the membership of the league. The Honor Roll is recorded and released each semester and recognizes those student-athletes who registered a 3.0 or better grade point average the previous semester.

Submitted through the Directors of Student-Athlete Support Services at each institution, those honored are not necessarily the stars on the field and court but those who participate on the team. They include the letterwinners and non-letterwinners and recognize every student-athlete who has excelled in the classroom.

More than 2,000 Big 12 student-athletes are named to the Commissioner's Honor Rolls at the end of each of semester.

### ACADEMIC ALL-BIG 12 TEAMS

Recognizing those student-athletes who excel in the classroom and on the field and court, the Big 12 has academic all-conference teams for all sports.

Nominated by the Directors of Student-Athlete Support Services and the Athletic Media Relations Directors, members of the all-academic teams have posted at least a 3.00 grade point average either cumulative or the previous two semesters and are regulars (i.e. letterwinners) on his or her respective team. First-team honorees are regulars who have at least a 3.20 GPA.

Last year, a few academic teams in the Big 12 exceeded 100 student-athletes recognized by the conference. In addition, student-athletes have gained recognition by being named to ESPN The Magazine/CoSIDA Academic All-America teams.

### PHILLIPS 66 CLASSROOM CHAMPION

As Phillips 66 Big 12 Classroom Champions, the conference recognizes 30 student-athletes per school who have excelled on the court and in the classroom. Chosen through the Big 12 membership, those honored are recognized throughout the year on the Big 12 telecasts, FSN and ESPN Regional Television.

### DR. PRENTICE GAUTT SCHOLARSHIP PROGRAM

With 96 student-athletes from all Big 12 schools honored over the last four years, the Dr. Prentice Gautt Postgraduate Scholarships' list has grown to 153 recipients since the 1996-97 academic year.

Additional funding prior to the 2002-03 selection process allowed each school to name two outstanding scholars to the annual list of honorees. Conference officers also voted to name the postgraduate scholarship program awards after longtime Big 12 and Big Eight Conference Associate Commissioner and student services' pioneer Dr. Prentice Gautt in 2004. Dr. Gautt passed away on March 17, 2005.

The all-time group has solid representation of scholars throughout the 21 sponsored Big 12 sports and has provided \$845,600 through the 2005-06 academic year for much-needed financial aid. Three faculty representatives, one senior woman administrator and one director of athletics form the selection group for the prestigious awards, which help the youngsters to continue their formal education. Since its inception the Dr. Prentice Gautt Postgraduate Scholarship program has produced over a dozen physicians, several attorneys for the underprivileged, college professors, Peace Corps volunteers and positions of national prominence.

Criteria for these awards include a cumulative grade point average of 3.500 on a 4.0 scale, participation in at least two years of intercollegiate athletics at the scholar-athlete's respective institution, and completion of athletics' eligibility. The scholar-athletes also must graduate from their respective member institutions within 15 months of their selection as postgraduate scholarship recipients and are expected to enroll in graduate/professional schools within 15 months after they graduate.

The \$2,500 individual annual grants began in 1996-97, were raised to \$5,000 in 1999 and climbed to \$6,900 prior to the 2003-04 term. Most honorees in recent years have also been named to Academic All-Big 12 Conference teams as well as the Big 12 Commissioner's Honor Roll.

In 2005-06, the winners were Texas pitcher Cat Osterman and UT quarterback Vince Young.

Osterman, a senior last year, became the only three time honoree of the award in conference history (2003, 05, 06).

The four-year letterwinner won the Honda Award as National Softball Player of the Year for the second consecutive season. Osterman earned the 2006 USA Softball Collegiate National Player of the Year honor for the third time and was named to the 2006 USA Softball National Team for the fourth year in a row. The most decorated player in Big 12 softball history earned Big 12 Pitcher of the Year for a conference-record fourth time and is the only athlete in Big 12 annals across all sports to win a major award four times in a career.

Young led Texas to the 2005 Big 12 and National championships with a 13-0 record and win over USC in the Rose Bowl title game. He was the 2005 Davey O'Brien Award winner as the nation's top quarterback and also awarded the Maxwell Award for player of the year and the Manning Award for the nation's top quarterback. Young was runner-up for the Heisman Trophy, a consensus first team All-American and the unanimous choice for Big 12 Offensive Player of the Year.

## Sportsperson of the Year

The Big 12 also recognizes its top male and female sportsperson. The Sportspersons of the Year Award was started prior to the 2000-01 academic year to recognize student-athletes who displayed an extraordinary degree of sportsmanship and/or community service from within the conference. The honorees are selected by a media panel.

In 2005-06, the winners were Missouri gymnast Jodie Heinicka and Texas A&M baseball player Parker Dalton.

Heinicka spent her time in Columbia as an active participant in many city and university activities, including the Can Food Drive for Central Missouri Food Bank, the Dance-a-thon for children's diseases, the Domestic Violence Half Marathon Race, and the Adopt-A-Family Christmas project. She also visited local hospitals and schools in addition to getting up at 6 a.m. every morning to help a quadriplegic male with his morning routine.

Dalton was also honored by the NCAA as its Division I male sportsman of the year. He played a key role in welcoming six Tulane athletic teams to the A&M campus after they were displaced by Hurricane Katrina. Dalton also volunteered for AggiesCan, a Coat Drive for the local mission and Toys 4 Tots. He is an active member of Breakaway Prayer team, has led a Bible Study each week for the past three years and participated in the Gamma Phi Beta's Crescent King Philanthropy Fundraiser for Camp Fire USA.

## Big 12 Scheduling and Championship Tiebreaker

### **Scheduling Format**

For scheduling purposes, the Big 12 is divided into six-team divisions. All teams will play a schedule which consists of a double round-robin within their division and single games against all teams in the opposite division for a total of 16 conference games. The team(s) with the best winning percentage in the 16 conference games is declared the Big 12 regular season champion(s).

### **Championship Tiebreaker Procedure**

Following is the procedure for breaking ties in seeding for the Big 12 Basketball championships (men's and women's). Championship seeds are ranked 1-12 based on conference winning percentage. Ties are only broken for seeding purposes. If two or more teams tie for first in the final regular season rankings, multiple champions are crowned.

**(a)** If two teams are tied and they are from different divisions, the winner of the game between the two tied teams shall be the higher seed.

**(b)** If two teams are tied and they are from the same division, the team with an advantage in head-to-head competition shall be the higher seed.

**(c)** If two teams remain tied, there will be a comparison of overall record against division teams only (10 divisional games).

**(d)** If two teams remain tied, there will be a \*comparison of record against the highest ranked team(s) (based upon Conference winning percentage) in the division and proceeding through in order of divisional finish.

**(e)** If two teams remain tied, there will be a \*comparison of record against the highest ranked team(s) (based upon Conference winning percentage) in the opposite division and proceeding through in order of divisional finish.

**(f)** If two teams remain tied, the higher seed will be chosen by draw.

**(g)** If three or more teams are tied, ties among divisional opponents will be broken by using steps (b) through (f) and the head-to-head results will be used to break ties between non-divisional teams. When three or more teams from the same division are tied step (b) will consist of a mini-round robin among those tied teams. At any point during the process of breaking ties among three or more teams that the number of tied teams are reduced to two, head-to-head competition would be used as the primary tiebreaker, followed by steps (c) through (f).

**\*Note:** When comparing against the 'highest' ranked team(s) in either division, the comparison will be based upon how tied teams did against all teams in a given placement, rather than a team that wins a tiebreaker at another position. For example, if two teams are tied for fifth and two teams are tied for first, the head-to-head comparison would be how the fifth place teams did against the first place teams combined, and vice versa.

## Commissioner Kevin Weiberg

For the ninth time in its 11-year history in 2006-07, the Big 12 Conference will be led by Commissioner Kevin Weiberg. Under his direction, the Big 12 has continued to be regarded as one of the nation's premier conferences.

Weiberg continues to play a prominent role nationally in collegiate athletics. He has previously served terms as coordinator of the Bowl Championship Series, as a member of the NCAA Division I Men's Basketball Committee as well as a two-year stint as chair of the Division I-A Collegiate Commissioners' Association. Weiberg currently serves on the following NCAA special committees and task force groups: men's college basketball partnership, women's basketball discussion group, and the baseball academic enhancement working group. He also played a key role in the formation of the Group of Six conferences; a forum that brings together some of the nation's top conferences to advance policy initiatives in intercollegiate athletics.

During his tenure, a total of 25 NCAA championships have been won by conference teams with nearly 200 individual national titles to the league's credit. The conference has had five appearances in the BCS National Championship game in eight years, with five showings in the title contest since 2000 - more than any other league. The Big 12 has had eight men's and women's basketball teams advance to their respective Final Fours in the past five seasons, highlighted by Baylor's women's basketball National Championship two years ago.

The league's success continued in 2005-06, with NCAA team championships in football, women's indoor track & field, wrestling and men's golf. Big 12 squads have accounted for 10 NCAA Championships in the last two seasons. In fact, Weiberg has seen at least one team win a national title every season since being named Commissioner.

During the past athletic season, Weiberg continued to advance the Big 12 by negotiating a new lineup of football bowl agreements to run through the 2009 season that increases exposure and revenue, and allows Big 12 teams to play in some of America's best destination cities. He also helped the league enter into long-term relationships with Oklahoma City to continue as hosts of the Big 12's successful baseball and softball championships, in addition to

securing sites for the 2007 Dr Pepper Big 12 Football Championship and the '08 Phillips 66 Big 12 Men's and Women's Basketball Championships.

In 2005, he announced enhancements in regulatory spending by the Conference, introducing an expanded drug testing program to include a wider array of performance enhancing drugs; a three-year cycle of compliance audits by an outside firm of member institution's athletic departments; and a gambling awareness initiative.

Weiberg enters this year focused on securing prominent long-term television deals in football, men's basketball and other sports. He has also been working with the Conference's Board of Directors in establishing greater cooperation between member institutions in areas beyond intercollegiate athletics.

During his recently completed tenure as coordinator of the BCS, Weiberg led the negotiation of a new four-year television contract with Fox Sports for the rights to Bowl Championship Series games, exclusive of the Rose Bowl, through 2009. His term as coordinator also saw the implementation of qualification standards for conferences, greater access for conferences and teams previously outside the system, renewed contracts with the BCS bowls, the realization of a simplified standings formula, the advent of a college football Top 25 poll, and introduction of transparency into the voting process.

Since being named the second commissioner in Big 12 history on October 8, 1998, and officially assuming the post December 4, 1998, the Big 12 has implemented a firm fiscal policy and continues to explore avenues to expand revenues. For the 2005-06 fiscal year, the Big 12 distributed \$102.5 million to its member institutions. Since beginning operations 10 years ago, the Conference has nearly doubled its first allocation of \$54 million established during its inaugural year and has distributed \$807.2 million to its member schools.

In January, 2005, the Board of Directors announced the four-year extension of Weiberg's contract through 2010, with a four-year option to 2014.

Prior to joining the Big 12 Conference, Weiberg worked in conference operations for almost 10 years at the Big Ten Conference, beginning as Associate Commissioner/Chief Operations Officer before being promoted to Deputy Commissioner.

His professional career began with a 1979-80 post as Sports Information Director at Wayne State (Neb.) College. Weiberg moved to Wichita State University from 1980-87. He was Sports Information Director at WSU from 1980-83, Assistant Athletics Director for Marketing/Fund Raising from 1983-86, and became Associate Director of Athletics in 1986-87. Weiberg then served as Associate Director of Athletics at the University of Maryland from 1987-89.

The Anthony, Kan., native earned a Bachelor of Science degree in Education from Kansas State University in 1978 and Master of Science degree in Athletics Administration from Western Illinois University in 1979.

Born July 7, 1956, Weiberg is married to the former Susan K. Latta. The couple has three children - Erika (20), Jenna (17) and Garrett (15).

# Big 12 Women's Basketball

## Big 12 Captures Seventh Consecutive Attendance Crown

Big 12 women's basketball captured the NCAA attendance crown for the seventh consecutive year by totaling 971,011 fans for a 4,980 average in 2005-06.

The league set all-time national highs in 2001-02 while achieving its goal of becoming the first conference to draw one million fans to its games. The 1,002,251 cumulative attendance is still an NCAA record as is the 5,381 average set in 2003-04.

Big 12 Women's Basketball Yearly Attendance		
Year	Total Attendance	Average
1997	532,597	3,272
1998	545,081	3,428
1999	624,096	3,737
2000	802,419	4,720
2001	880,255	5,030
2002	1,002,651	5,331
2003	970,764	5,030
2004	990,036	5,381
2005	937,611	5,180
2006	971,011	4,980

Nine Big 12 schools were ranked in the Top 40 for average home attendance, led by Texas Tech in second with 11,935 fans per game.

The Lady Raiders have been among the top four teams nationally in home attendance all 10 years since the inception of the

Big 12 and in the top three the last seven seasons.

Baylor, Iowa State and Oklahoma were also in the Top 10 rated sixth (7,717), seventh (7,667) and eighth (7,630), respectively. Kansas State (14th/6,281) and Texas (18th/5,636) were in the Top 25.

Oklahoma was fifth for all-game attendance (home, road, neutral) with a cumulative total of 231,864 fans at 36 games. Texas Tech was sixth with 226,878 spectators at 29 contests while Baylor was seventh with 218,969 at 33 outings.

Oklahoma ranked second for largest increase in average home attendance from 2004-05 to 2005-06, improving its average by 1,935 fans a game.

The "Million Fan March" campaign was established prior to the 2000-01 season with the goal of the Big 12 becoming the first conference in the NCAA

to draw 1,000,000 during the season. The Big 12 fell short of the mark in 2000-01, its first major promotional attempt, but continued the project and was successful in 2001-02 as "Million Fan March 2."

A conference has surpassed the 5,000-average plateau only six times in NCAA history and the Big 12 has five of those in consecutive years from 2001-05.

## 2006-07 NCAA Women's Basketball Rules Changes

The following rules-change proposals have been approved by the Men's and Women's Basketball Rules Committees and the Playing Rules Oversight Panel and will be incorporated into 2006-07 rules. The page references are from the 2005 Men's and Women's Basketball Rules Book.

**New Equipment Requirement.** (Rule 1-17, page 34)—Starting with the 2010 season, Division II and III institutions will be required to have a game clock with a 10th of a second display, a red light or LED lights and shot clocks mounted on the back board. Rationale: It is important that Division II and III are using available technology in the game.

**LED Lights.** (Rule 1-18, page 35)—LED lights may be used on the shot clock, but the lights shall only be activated for a shot-clock violation. Rationale: LED lights have been incorporated into the shot clock and can be beneficial to the officials, when available. Early usage has indicated that the lights can also be connected to the game clock and horn. This is not legal.

**Intentionally Kicked Ball.** (Rule 2-14.6.f, 2-14.7.b, page 53)—When an intentionally kicked ball occurs with 14 seconds or less, set the shot clock to 15 seconds. When an intentionally kicked ball occurs with 15 seconds or more the clock shall remain as is. Rationale: This simplifies a rule that was made last year.

**Undergarments.** (Rule 3-4.14, page 63)—Compression pants may not extend below the game pants. Shirt sleeves may not extend below the elbow. Rationale: This will eliminate the use of undergarments that extend to the ankle and long sleeves.

**Arm Sleeves.** (Rule 3-5.7, page 65)—Arm sleeves are illegal unless worn for medical purposes. Rationale: Sleeves are unnecessary and inappropriate equipment without permission from a trainer or physician.

**Wristbands and Headbands.** (Rule 3-5.15, 3-5.16, page 64)—Wristbands and headbands must be either the dominant color of the game jersey or white. The color shall be uniform for the entire team. Rationale: This eliminates the problem of finding headbands the same as the dominant color of the game jersey and requires team uniformity.

**Point of Interruption.** (Rule 4-51.1.a, page 85)—The ball will be returned to play at the point of interruption after double fouls and simultaneous personal fouls. Rationale: This creates consistency in where the ball will be returned to play after double fouls and simultaneous fouls.

**Use of Timeouts.** (Rule 5-10.22, page 104)—During games that do not have media present, a 75-second timeout is charged when an appeal for a correctable error is not correctable. When a 75-second timeout is not available, a 30-second timeout shall be used. Rationale: This clarifies the situation.

**Timeout Request.** (Rule 5-10.1.a, page 99)—A timeout shall not be recognized when an airborne player's momentum carries him/her either out-of-bounds or into the backcourt. Rationale: Often the player has already committed a violation before the timeout is granted. This play is happening too frequently in the game today.

**Screener Position.** (Rule 10-22, page 150)—The normal stance of a screener shall be approximately shoulder width. Rationale: This incorporates a long-time established interpretation into the text of the rules.

**Publication Note:** The NCAA Men's and Women's Basketball Illustrated Book will no longer be published. The visual diagrams will be incorporated online.

### Women's Only Changes

**Penalty for Non-Compliance of Equipment Rule.** (Rule 1-17, page 34)—An indirect technical foul will be assessed to the Division I home team at the beginning of each game when a game clock with a 10th of a second display, a red light or LED lights and shot clocks mounted on the backboard are not available. Rationale: The rule has been in place for several years without an enforcement clause. This is meant to force institutions to become compliant.

**Substitutions.** (Rule 5-10.23.a, page 104)—Require a bleeding player or a player who has lost or irritated contact to be substituted if it cannot be resolved within 20 seconds. Rationale: This will treat bleeding players and players with irritated contacts the same for the first time.

**Experimental Rules.** The women will experiment with the three-point line extended to 20 feet, 6 inches and the 10-second backcourt rule.

**Points of Emphasis.** Displacement and sportsmanship will remain as points of emphasis for the 2006-07 season.
