The arena can seat 10,700 people with 7,300 permanent seats. The auditorium is accessible from the south side of 13th Street where visitors enter through the 3,600-square foot Grand Foyer. It is a short walk to the Sprint Center, site of the Phillips 66 Big 12 Men's Championship.

Big 12 Scheduling and Championship Tiebreaker

Scheduling Format

For scheduling purposes, the Big 12 is divided into six-team divisions. All teams will play a schedule which consists of a double round-robin within their division and single games against all teams in the opposite division for a total of 16 conference games. The team(s) with the best winning percentage in the 16 conference games is declared the Big 12 regular season champion(s).

Championship Tiebreaker Procedure

Following is the procedure for breaking ties in seeding for the Big 12 Basketball championships (men's and women's). Championship seeds are ranked 1-12 based on conference winning percentage. Ties are only broken for seeding purposes. If two or more teams tie for first in the final regular season rankings, multiple champions are crowned.

(a) If two teams are tied and they are from different divisions, the winner of the game between the two tied teams shall be the higher seed.

(b) If two teams are tied and they are from the same division, the team with an advantage in head-to-head competition shall be the higher seed.

(c) If two teams remain tied, there will be a comparison of overall record against division teams only (10 divisional games).

(d) If two teams remain tied, there will be a *comparison of record against the highest ranked team(s) (based upon Conference winning percentage) in the division and proceeding through in order of divisional finish.

(e) If two teams remain tied, there will be a *comparison of record against the highest ranked team(s) (based upon Conference winning percentage) in the opposite division and proceeding through in order of divisional finish.

(f) If two teams remain tied, the higher seed will be chosen by draw.

(g) If three or more teams are tied, ties among divisional opponents will be broken by using steps (b) through (f) and the head-to-head results will be used to break ties between non-divisional teams. When three or more teams from the same division are tied step (b) will consist of a mini-round robin among those tied teams. At any point during the process of breaking ties among three or more teams that the number of tied teams are reduced to two, head-to-head competition would be used as the primary tiebreaker, followed by steps (c) through (f).

***Note:** When comparing against the 'highest' ranked team(s) in either division, the comparison will be based upon how tied teams did against all teams in a given placement, rather than a team that wins a tiebreaker at another position. For example, if two teams are tied for fifth and two teams are tied for first, the head-to-head comparison would be how the fifth place teams did against the first place teams combined, and vice versa.
