### Quotes

#### Baylor head coach Joey Scrivano

*On the match:*

"Missouri came out and played some good tennis today. Fortunately, we played well enough to win. When you're in tournament play, that's all the matters -- trying to get four points and trying to advance."

*On Saturday's semifinals:*

"Regardless of who it is, we're going to have to play well. There's a lot of teams here who are capable of beating us. We've got to perform. We've got to show up and really play focused tennis. Hopefully, we'll do that."

*On Oklahoma's facilities:*

"Oklahoma does a great job hosting this event. They hosted it in 2004 and did a great job with it then. They're continuing to do a great job. The indoor facility is impressive, so its a good thing for the Big 12. It's not only good for Oklahoma; it's good for the Big 12."

#### Baylor sophomore Taylor Ormond

*On the match:*

"We played a great doubles and got the point fairly quickly. In singles, I think we all came out ready to play, wanting to see who could finish three singles first. In know I played (Missouri's Jessica Giuggioli) earlier in the year and I went three sets with her. So, I played much better today."

#### Missouri head coach Blake Starkey

*On the match:*

"I think in spots we played, maybe, a little intimidated. Just in a couple of spots. Baylor is not just one of the premier teams in the conference, they are literally one of the better teams in the nation. When it was over, I told (Baylor head coach) Joey (Scrivano) to go win the whole thing if you can. I'm very proud of my team. We've put ourselves in position to win all year long. Certainly have had some highlights. We just got outplayed today by a strong team, period."
