Quotes

Texas head coach Patty Fendick-McCain

On the match:

"I was very pleased today. We actually battled hard with Texas Tech earlier this season. We got them in Lubbock with a 4-3 win. We were ready to play today. The girls were fired up and wanted to get out again with them. Really please with them. They stepped up and played good tennis today."

On Saturday's semifinal matchup:

"We're just looking forward to a new day. Every day brings a new challenge. We're ready to go. We're right where we want to be at this part of the season."

On Oklahoma's facilities:

"Wonderful facilities. The indoor facility is beautiful; so are the courts. (Oklahoma's) done a fantastic job."

Texas freshman Krista Damico

On the match:

"We definitely came into this match knowing they were going to play tough. During our season we had a tough match with them, so we just wanted to come out and be on top of everything. I feel like we were a lot more focused and everyone knew it was just time to step up and everyone came through."

Texas Tech head coach Todd Petty

On the match:

"It was disappointing. I thought everyone played hard. We ran into a very good Texas team. They are very talented. Kind of let the doubles point slip away, but all the credit to Texas. They deserved it today. They were the better team today."
