Order of Finish

Singles - 6, 3, 5
Doubles - 3, 2, 1

Quotes

Texas head coach Michael Center

On the match:

"We got off to a great start today in doubles. Our energy level was particularly good and we got the momentum. I thought we had a great start in singles, so we had the pressure on them pretty much the entire match today."

On the Saturday semifinal matchup:

"We've got to play the (Texas A&M) Aggies. We just lost to them in College Station last week. They've got a great team. They've got some All-America caliber players so we know we'll have to bring our 'A' game tomorrow."

On the Big 12 Championship experience:

"I think Oklahoma has done a great job. I think the facility is outstanding. The outdoor facility is really nice and the addition of this indoor facility is spectacular. We've got a great venue here."

Texas junior Dimitar Kutrovsky

On the match:

"We played against the same (doubles) team last time during conference and we lost to them 9-8, so we knew they were really tough and really solid. We got off to a pretty good start. We broke them and then we played some pretty tough games in the doubles."

"In the singles, I had lost my match again (to Oklahoma's Andrei Daescu during the conference season), so I knew he was a good player and I had to bring it. I knew the weather was going to be a factor today. So, I tried to fight as hard as I can and not get frustrated with the weather just to capitalize on my opportunities."

Oklahoma head coach Paul Lockwood

On the match:

"I'm disappointed in the outcome. I don't think we played very well. In doubles, it seemed like we started out poorly and we never recuperated from that. Texas probably had a lot to do with that but we played a month ago and I thought we competed a lot better, played a lot better. Hats off to Texas. Hopefully, we'll make the NCAA tournament here in a few days."

On the Big 12 Championship experience:

"Well, that's the bright spot of it all -- you get to showcase our first-class facility and get fans from all the schools to come in and see what we have. I'm glad to have hosted it and I'm looking forward to hosting again in 2013."
