Quotes

Texas head coach Michael Center

On the match:

"Overall, I thought it was the best performance we've had all year. I thought our doubles play was outstanding. We competed in all three spots. Conditions were pretty tough, but I felt like we were putting pressure on them across the board. Then we had a great start in the singles. We lost six first sets last week against them and won four first sets today. So, great effort by our guys."

On Sunday's championship match versus Baylor:

"It will be the fourth year in a row we've played them (in the Big 12 final). They've got a great team. We'll enjoy this victory, but tomorrow we're going to come out and be ready to go."

Texas sophomore Kellen Damico

On the match:

"We came out and had a lot of energy. We knew they were good and that we had to play well to beat them. We all came together and played really well. Those kids are good and I think this is the first match where we all felt like we were in control of what we were doing."

Texas A&M head coach Steve Denton

On the match:

"Another close match with Texas. They are a very good team. We had our shot to win the doubles and we didn't. That came back to bite us a little bit. We were in a couple matches over here. (Colin) Hoover's match, we were in 4-0 up in the second and couldn't quite close the door in the second set. That's the way these matches go. They're close, obviously. Just a few points here or there and I thought they handled it better than we did today and they won the game points."
