Quotes

Texas head coach Patty Fendick-McCain

On the match:

"It was exciting tennis. I'm glad we won that doubles point. It gave us a little bit of a breather. Our girls fought hard. The conditions were just brutal. The wind, I think, maybe favored them a little bit. Wind is a great equalizer. I'm proud of how our girls stepped up."

Texas junior Sarah Lancaster

On the match:

"It was huge to get the doubles point to start off because we knew we needed to win three singles matches. A&M's usually good at doubles; they always come out strong. We knew that was going to happen so getting the doubles point was huge."

Texas A&M head coach Bobby Kleinecke

On the match:

"We're not satisfied. This is not a match we came in to play close and lose. It came down to the wire. Give Texas credit, I think the difference in this match is that they stepped up at the right times. They stepped up when the match was on the line and we didn't."

"It's got to hurt because you laid it all out there. And that's the positive -- we laid it all out there today."
