Quotes

Baylor head coach Joey Scrivano

On the match:

"Anytime you play in a wind tunnel, it makes things interesting. I'm proud of the way we played today. Texas really played tough. They competed very, very hard and handle the wind well. Both teams played a good match. Thankfully, we came out on top."

On future goals:

"The ultimate goal is to win the national championship. That's what we want to do -- win the national championship. We don't take these victories for granted but we have some bigger goals ahead of us. Now, it's just some fine tuning and making last-minute preparations. We're excited the NCAAs are going to be in Texas, at College Station."

Baylor junior Lenka Broosova

On the match:

"I think the conditions were really hard. We knew it was going to be like this today. We knew Texas was going to come out and fight really hard. I think they played great, especially in doubles. I think it was just a matter of who wants to fight more, who worked harder before this. It was not just our performance today; it was all the hard work we had put in since January. I'm proud of my team."

Texas head coach Patty Fendick-McCain

On the match:

"It was tough conditions, winds up to 28 miles per hour. I was proud of how our girls fought from start to finish."
