

SESSION 3 QUOTES - GAME 8 - MAY 9

NO. 1 OKLAHOMA 6, NO. 4 TEXAS 2

Karolyne Long, Oklahoma, Short Stop

On preparing for semifinal match-up with Texas:

"I started off today pretty bad. Before the game we were all so excited to get in the cages. We went down there and just kept working, and working with Coach McKay."

Patty Gasso, Oklahoma, Head Coach

On team's performance and tomorrow's championship match-up:

"We threw everything out there. We're excited about it. They're a really great team. It's going to be a really good game to watch."

Connie Clark, Texas, Head Coach

On Texas' loss to Oklahoma:

"Our focus has been about managing the moment and staying pitch-to-pitch. I think in that regard, we did a nice job in the two games that we played. The unfortunate part is that we didn't get the outcome when we had a few opportunities with the tying run at the plate as we got into the middle innings. The positive side is that we had the bases loaded, we had the opportunities, we just didn't get that one clutch hit to put the momentum back on our side."
