

## SESSION 2 QUOTES - GAME 3 - MAY 8

### NO. 2 MISSOURI 10, NO. 7 OKLAHOMA STATE, 0 (5 INN.)

#### **Lindsey Ubrum, Missouri, Designated Player**

*On hitting her 15th homerun this season:*

"I think it was a change-up. I was just trying to hit something hard. We really didn't think much was going to carry out of here, so we're glad it did."

#### **Ehren Earlywine, Missouri, Head Coach**

*Overall feelings on today's game:*

"I feel good. You know we hit a skid about a week or two weeks ago where we were slumping at the plate, and not pitching well. Our last season game against Kansas we kind of turned the page and won a 5-0 game. I was really curious to see how we were going to come into this weekend after that slump, to see if we had truly turned the page. Indeed it feels like we have. We had a lot of people swinging the bats good, we have a lot of fresh pitchers. We're kind of well built for tournament play with as deep as our pitching is, so I like our chances."

#### **Alysia Hamilton, Oklahoma State, Second Base**

*On overall team play in the Championship:*

"Yesterday was a good day for us. We win as a team, we lose as a team. That's just how it goes."

*On today's game:*

"To beat a team like that, we have to have our defense on, our pitching on and our hitting on, and it just wasn't clicking for us today."

#### **Rich Wieligman, Oklahoma State, Head Coach**

*On team's overall performance at the event:*

"We played pretty well yesterday, we had a big inning, had a lot of hits. We pitched well and we played good defense. Today we didn't really do anything very well. You know, we made three errors on defense, we didn't hit the ball like we can, and we didn't pitch it as well as we should. We just got to have short-term memory on this game."
