The Big 12 Conference, despite being one of the youngest conferences in America, will continue its position as a national leader in athletics and academics as it embarks on its 15th season in 2010-11.

Since it began play in 1996-97, the Conference can boast of 38 team crowns and 459 individual NCAA Championships. The success continued last year, as Oklahoma State won the NCAA men's cross country title while Texas captured the national championship in men's swimming & diving. Texas A&M maintained its place as the nation's top outdoor track & field program, securing the NCAA crowns for both the men and women for the second consecutive year.

Big 12 squads continued to lead the nation in their respective sports as every single sport the Conference sponsors had at least one school ranked in the top six of the national rankings during the past campaign. In addition, nine different sports had the No. 1 team in the nation at some point during the 2009-10 season.

In addition to the NCAA crowns, several more schools made strong national showings. Five Big 12 volleyball teams competed in the regional semifinals of the NCAA Championship in 2010, the first time that has happened in conference history. The Big 12 also had a school play for the BCS National Championship (Texas) for the seventh season and placed two women's basketball squads (Baylor, Oklahoma) in the Final Four in the same season for the first time. Oklahoma finished second nationally at the NCAA women's gymnastics finals - an all-time high for the Big 12 - while Oklahoma State placed second at the men's golf championship. Iowa State was third at the NCAA wrestling championships and the Big 12 also placed a team in the College World Series in both softball (Missouri) and baseball (Oklahoma).

The individual honors also continued, as Jenny Barringer (Colorado) earned The Bowerman Award, presented for the first time to the most outstanding collegiate women's track and field athlete. In fact, all three women's finalists were from the Big 12. Caroline Hedwall (Oklahoma State) was named the recipient of the Honda Sports Award as the nation's top female golfer after capturing the NCAA individual title. Lisa Koll (Iowa State) earned the Honda Award as the top collegiate female athlete in track & field, Connie Yori (Nebraska) was the consensus Division I women's basketball coach of the year and K.J. Kindler (Oklahoma) earned national women's gymnastics coaching accolades.

During the past six seasons a total of 16 NCAA trophies have been hoisted by Big 12 institutions, with at least one national crown won in all but one year for the Conference, including each of the past 13 seasons.

The Big 12 leads all conferences with its seven appearances in BCS title games. Seven league squads have played for the football national championship in the last 10 years with berths in 17 BCS games overall, including two each in 2007 and 2008. In the past two seasons, the Big 12 has had 16 players earn consensus All-America accolades.

In basketball, nine men's and six women's teams have advanced to their respective Final Fours in the past eight seasons as the Big 12 continues its place among the elite intercollegiate athletic conferences. On the men's side six different teams have reached the regional finals in the past three seasons - the first time since 1985 that any conference can boast of six different teams doing so over a three-year period. The Big 12 has led the nation in women's basketball attendance the past 11 seasons and surpassed its own NCAA record attendance mark in 2009-10.

Numerous national honors have been won by basketball student-athletes during the league's history. Sherron Collins (Kansas) was awarded the 2010 Frances Pomeroy Naismith Award in men's basketball as the top player six-foot or under. Kelsey Griffin (Nebraska) gave the Conference a consensus All-America selection in women's basketball for the 10th straight season.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community, the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

Big 12 student-athletes have shown commitment to their studies by earning numerous academic recognitions. Cole Aldrich (Kansas) was the latest after being named Academic All-America of the Year honors in men's basketball in 2009-10. It marked the seventh time in the past five years that a league athlete has garnered the top academic honor for their respective sport. The Big 12 had plenty of success overall in the classroom a year ago, as the Conference led the nation with 38 student-athletes earning ESPN The Magazine/CoSIDA Academic All-America recognition. In its history, the conference has nearly 400 academic honorees, averaging more than 25 each season.

The Big 12 can boast of other stories that combine on and off the field success. Patience Knight (Texas Tech) was the recipient of the Honda Inspiration Award in 2008, given to an outstanding female college athlete who overcomes adversity to excel in her sport. She was diagnosed with a cancerous tumor in 2007, but rebounded to win All-America honors at the 2008 NCAA Indoor Track & Field Championships.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons. At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsman of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships at the end of each academic year. A total of 249 scholars have received over 1.6 million in postgraduate financial aid through the first 14 years of the program.

The Big 12 sponsors 21 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, golf, gymnastics, indoor track & field, outdoor track & field, soccer, softball, swimming, tennis and volleyball.

The Conference conducts championships for 19 of its 21 sports. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition. The winner of the Big 12 football championship game earns the league's berth into the Bowl Championship Series.

In the last several years the Big 12 has increased its bowl agreements and expanded television opportunities for all sports through contracts with ABC/ESPN and FSN. Most recently, the league renewed and expanded its multi-year arrangement with ABC/ESPN, Inc. The new contract began in 2008-09.

In its first 14 years, the Conference has distributed more than \$1.2 billion to its 12 member institutions. The Big 12 staff administers to over 4,600 student-athletes in its 21 sports. The conference office is headquartered in Irving, Texas.

BIG 12 SPORTSMANSHIP STATEMENT

The member institutions of the Big 12 Conference are committed to competition in an arena where sportsmanship and the sense of fair play take center stage. Whether on the field, within the community or in the classroom, those who make up the Big 12—its administrators, coaches, game officials and student-athletes—support the highest ideals in sportsmanship.

At the heart of sportsmanship is the commitment of the institutions towards respect for the opposition and those officiating contests in the 21 sports sponsored by the Big 12. It is with a sense of fair play that a true sporting demeanor in the spirit of intercollegiate competition can be created and maintained with a total regard for the welfare of student-athletes, coaches, support personnel and spectators.

Sportsmanship on the field of play is governed by Conference rules and guidelines, as well as those established under the NCAA and amateur organizations. It is the responsibility of game officials and administrators to see to strict adherence to these guidelines.

The behavior of spectators is managed by event personnel, who are encouraged to deal with interference or abuse of appropriate sporting behavior in the strictest of methods.

The Big 12 Conference and its member institutions appreciate the support of the majority of fans who wish to create an atmosphere of competition that allows the participants to showcase the game and their respective skills.

It's So Nice, They Are Coming Twice

For the third time since 2005, two Big 12 institutions will host ESPN's College Gameday Driven by State Farm college basketball series in the same season. The popular weekly program will take its show to the University of Kansas on January 29 for the Jayhawks' matchup with Kansas State. That will be followed by its first appearance at Baylor University for the Bears' meeting with Texas on March 5. Kansas has hosted on three previous occasions, while BU becomes the sixth school from the Big 12 (KU, KSU, OU, OSU, UT) to host the event.

Recruiting Haul Continues

Big 12 coaches continue to bring talented prep players into their programs. Four league squads - Baylor, Kansas, Missouri and Texas - ranked among the top 25 of both the ESPN and Rivals.com team recruiting rankings.

In the Rivals ratings, the Big 12 boasted the nation's No. 1 player (Josh Selby, KU) along with the No. 8 (Cory Joseph, UT) and No. 9 (Perry Jones, BU) prepsters. On the ESPN listing, the experts had three league newcomers among the top 10 - Selby at No. 5, Jones at No. 7 and Tristan Thompson of Texas at No. 10. The Big 12 was the only conference in the nation that had three players at three different schools in the ESPN top 10.

Overall, a total of 16 members of the Rivals 150 are enrolling at Big 12 schools, while 11 student-athletes from the ESPN Top 100 will play on conference squads.

Looking To Continue Amazing Home Record

Big 12 Performs Well In "Academic Big Dance"

For the fifth consecutive year, *Inside Higher Ed* presented its Academic Performance Tournament - a unique look at what the NCAA Division I Men's Basketball Championship bracket would look like if teams advanced based solely on classroom outcomes. Winners are determined using the NCAA's Academic Progress Rate, with ties broken using the NCAA Graduation Success Rate.

The Big 12 had four of the Elite Eight teams in the bracket - Baylor, Kansas, Oklahoma State and Texas. KU and UT advanced to the national semifinals, while Kansas was crowned as academic performance champion.

BIG 12 TELEVISION DISTRIBUTION

The Big 12 Conference maintains long-term television agreements to ensure the greatest exposure for its men's basketball programs. Included below is a breakdown of these rights and how they affect which games are televised, and when they are shown.

ESPN has purchased the rights to 95 games, plus all games of the Phillips 66 Big 12 Men's Basketball Championship and home games in the Big 12/Pac-10 Hardwood Series. Of those 95 contests:

- Forty-three will be televised on either ESPN or ESPN2, with a maximum of 20 of those games sublicensed to a national over-the-air network (ABC/CBS)
- In addition to the 43 games above, a maximum of 20 games may be televised on ESPNU and 32 games may be televised in syndication on the newly-branded Big 12 Network
- ESPNU may move up to six games per season for telecast exclusively on ESPN3.com (Internet)

Appearance Requirements

There are no appearance requirements (minimums or maximums) for games on ESPN, ESPN2, syndication or the sublicense to a national over-the-air network. However, ESPNU and ESPN3.com shall be subject to the following restrictions:

- No same single match-up game in consecutive seasons
- No more than four appearances on ESPNU or ESPN3.com in a season, except two schools may have five appearances
- No more than one appearance per season on ESPN3.com
- Only one game from each schools intra-division schedule may appear on ESPNU or ESPN3.com in a season; and such may not appear from the same venue in consecutive seasons

Game Times/Exclusive Windows

The times for selected games will be (Central Time):

- The late window (generally 8 p.m.) for Big Monday telecasts
- No earlier than 11 a.m., for weekend games distributed on ESPN, ESPN2 or an over-the-air network
- No earlier than Noon, for all other weekend games
- No earlier than 6 p.m., nor later than 8:30 p.m., for all Wednesday games
- No earlier than 6 p.m., nor later than 8 p.m., for all other games

Doug Bell and Bryndon Manzer of the Big 12 Network inside Studio 66

Member institutions which carry local or third-tier packages are precluded from televising games in exclusive windows as established by the contract. These windows generally allow for a slight overlap of games of up to 30 minutes, except as noted below:

- Monday evening games, two-hour protected window
- Wednesday evening games, 90-minute protected window
- Syndication games on Saturday afternoons, two-hour protected window
- Syndicated games in primetime (weekend and weekday) and Sundays, 90-minute protected window
- Tuesday, Wednesday and/or Friday games (except syndication), no protected window

Distribution of Institutional (Local) Package Games

ESPN controls the national/regional distribution of games and the contract limits the geographical reach of institutional (third-tier or local) package games to the state(s) of the participating team(s). The guidelines for the distribution of these games include:

- Telecasts may be distributed only within the states (and overlapping DMAs) of the two participating teams
- At its option, institutions may present the telecasts to ESPN for placement on ESPN Full Court
- Unselected games produced as part of the local package may be distributed by Big 12 Web sites within the state(s) of the participating teams
- If an unselected game is offered to ESPN for outer-market distribution (ESPN Full Court) and ESPN declines, Big 12 Web sites may distribute such games on a free, sponsored, pay-per-view or other basis

Revenue Distribution Process

Basketball television revenue is divided equally among all member institutions. However, each institution is awarded a flat amount annually for non-conference home games on ESPN, ESPN2 or ESPNU and for non-conference road games on an over-the-air network (e.g. CBS, ABC).

PHILLIPS 66 BIG 12 CHAMPIONSHIP

The Phillips 66 Big 12 Men's Basketball Championship heads back to Kansas City in 2011, with Sprint Center hosting the league championship for the third time. All 12 institutions will participate with seeding based on regular season finish. The top four squads in the conference standings earn first-round byes. The Big 12 Champion earns the league's automatic bid to the 65-team NCAA Championship field. The entire Big 12 Championship will be televised on ESPN, ESPN2, ESPN Full Court, ESPN3.com or the Big 12 Network.

Telecasts on the Big 12 Network are syndicated by ESPN Regional Television throughout Big 12 markets and beyond

CHAMPIONSHIP TIEBREAKING PROCEDURES

Seeding for the Championship will be based upon regular-season competition. The winner of the postseason basketball championship shall be declared the Big 12 automatic qualifier to the NCAA Championship. A team ineligible under NCAA or Big 12 rules for postseason competition shall not compete in the championship.

The four teams with the best records (based upon winning percentage) in 16 Conference games shall earn first-round byes. After the four teams have been awarded first-round byes and ranked as the No. 1 through No. 4 seeds, all remaining teams will be ranked in order No. 5 through No. 12 for seeding in the championship.

Tiebreakers - The first criteria in the breaking of ties in the standings shall be head-to-head competition of tied teams. The following procedure will be used to establish the championship seeds if ties exist. (For tiebreaking procedures teams will be grouped in two "divisions" based upon established guidelines. Colorado, Iowa State, Kansas, Kansas State, Missouri and Nebraska are in one division and Baylor, Oklahoma, Oklahoma State, Texas, Texas A&M and Texas Tech are in the other division.)

- If two teams are tied and they are from different divisions, the winner of the game between the two tied teams shall be the higher seed.
- If two teams are tied and they are from the same division, the team with an advantage in head-to-head competition shall be the higher seed.
- If two teams remain tied, there will be a comparison of overall record against division teams only (10 divisional games).
- If two teams remain tied, there will be a comparison of record against the highest ranked team(s) (based upon Conference winning percentage) in the division and proceeding through in order of divisional record.
- If two teams remain tied, there will be a comparison of record against the highest ranked team(s) (based upon Conference winning percentage) in the opposite division and proceeding through in order of divisional record.

- If two teams remain tied, the higher seed will be chosen by draw.
- If three or more teams are tied, ties among divisional opponents will be broken first by using steps (b) through (f) and the head-to-head results will be used to break ties between non-divisional teams. When three or more teams from the same division are tied step (b) will consist of a mini-round robin among the tied teams. At any point during the process of breaking ties among three or more teams that the number tied teams are reduced to two, head-to-head competition would be used as the primary tie-breaker, followed by steps (c) through (f). Once a team is eliminated from a multi-team comparison, it is dropped from further comparisons.

Note: When comparing against the "highest ranked team(s)" in either division, the comparison will be based upon how tied teams did against all teams in a given placement, rather than a team that wins a tiebreaker at another position. For example, if two teams are tied for fifth and two teams are tied for first, the head-to-head comparison would be how the fifth place teams did against the first place teams combined, and vice-versa.

Draw - In the event tiebreaking procedures are unsuccessful and a draw is necessary in determining seeding, the following procedure will be used:

- The drawing will be conducted in public or with media attendance
- Institutions involved in the drawing have the right to have a local representative in attendance at the drawing
- A single slip of paper with names representing each of the tied institutions will be placed into a container and will be drawn in order of seeding from highest (#1) to lowest (#12)

Houston will host the NCAA Men's Final Four for the first time in 2010. This season will mark the first year the event is played in Reliant stadium, which hosted Baylor in the NCAA South Regional last season and the Dr Pepper Big 12 Football Championship in 2005.

Dan Beebe enters his fourth year as the commissioner of the Big 12 Conference in 2010-11 after successfully guiding the league through one of the most tumultuous offseasons ever experienced by a collegiate athletic conference. His unwavering dedication has helped poise the Big 12 to continue as one of the leaders on a national level for years to come.

This past summer, Beebe worked with 10 members of the Big 12 Conference and numerous outside partners to stabilize the league as it continues the second decade of the 21st Century. During the process, he continued to stress the value of competition between Big 12 members and the extraordinary experience it provides for the league student-athletes.

In his three years as commissioner, Beebe has enjoyed eight national championships and five teams in the Bowl Championship Series in addition to numerous individual NCAA crowns. Off the field, he guided league institutions to a continuation of their revenue sharing model which returned a record \$139-million back to its membership in 2009-10. He has also ensured future revenue security for each of the members going forward.

He represents the Big 12 on three national boards - the NCAA Division I Men's Basketball Committee and the Executive Committee of the National Association of Collegiate Directors of Athletics (NACDA). As a basketball committee member, he worked as part of the group that secured a record television arrangement for the NCAA and also contributed to the decision to expand the field to 68 teams starting in 2011. His tenure began in September 2009 and runs for four years, while the NACDA appointment will expire in June 2013. Beebe is also a board member of the Collegiate Women Sports Awards and Honda Award and is also Chair of the Collegiate Commissioners Association Football Bowl Subdivision group.

The Walla Walla, Washington-native was part of the BCS television negotiating team that reached a new agreement with ESPN resulting in a significant increase in revenue for the Big 12. He orchestrated the conference's new arrangements with its non-BCS Bowl partners that resulted in a 33 percent increase in revenues. He has also spearheaded a continued and expanded Big 12 relationship with Special Olympics in each of the league's states.

Beebe was named commissioner on September 5, 2007, after serving as senior associate commissioner and chief operating officer for the league since February 2003.

While in his previous role at the Big 12, Beebe handled issues related to governance, national policy and legal affairs, in addition to coordinating the day-to-day activities of the conference office. He also served as the conference liaison to the Big 12 Board of Directors. Beebe has been involved in site selection for future league championships, extending television contracts and enhancing football bowl opportunities. In addition, he was active in establishing the conference's sportsmanship policies and procedures.

Prior to joining the Big 12, Beebe was commissioner of the Ohio Valley Conference from 1989-2003. Upon his appointment, he became the youngest leader of a Division I football-playing conference.

During his tenure, Beebe made the OVC more attractive in areas of television appearances as exposure nearly tripled. He also enhanced championships and revenue generation, ensured sportsmanship and fair play, promoted gender equity, and gained national recognition for the league. He was a strong proponent of providing opportunities for female student-athletes, as the league added three women's championships during his time.

Under Beebe's direction, the OVC added five new members. He also placed an emphasis on ethics and sportsmanship within the league, producing a nationally recognized sportsmanship statement and participating in regional and national seminars on the topic.

Over the course of his career, Beebe has built a strong reputation nationally in college athletics and has been selected to some of the NCAA's most significant committees. In addition to his recent appointments, he was a member of the prestigious NCAA Management Council, serving as chair of the Council's I-AA Governance Committee. He also chaired the Council's Committee on Fines and Forfeitures and was part of its Subcommittee for Student-Athlete Issues. Beebe was picked to fill the required commissioner's position on the initial NCAA Athletics Certification Committee that formalized and implemented the program adopted by the NCAA membership. He also previously served on the NCAA Nominating, Professional Sports Liaison, Football Issues, I-AA Football and Federal Arbitration Act committees.

Prior to his conference work, Beebe was a Director of Enforcement at the NCAA. He started at the NCAA in 1982 as an enforcement representative and was involved with numerous high-profile cases. That tenure was interrupted by a one-year stint as an Assistant Director of Athletics at Wichita State University in 1986 before he returned to the NCAA office where he earned his Director of Enforcement promotion in 1988.

Beebe attended Walla Walla Community College from 1975 to 1977, and then transferred on to California State Polytechnic University (Cal Poly-Pomona) where he earned his Bachelor of Science degree, cum laude, in social sciences in June 1979. Beebe received his law degree from the University of California Hastings College of the Law in 1982 and is a member of the Washington State Bar Association.

Besides his life's work, Beebe's ability to relate to student-athletes and others directly involved in college sports results from his own experience as a recruited football player. As an offensive lineman, Beebe was a four-year starter and served as captain of the varsity football teams at Walla Walla Community College and Cal Poly-Pomona. He continued his participation in athletics well after his college days, playing rugby, basketball, tennis, golf and other sports.

He was selected as one of the Outstanding Young Men of America in 1989 in recognition of his outstanding professional achievement, superior leadership ability and exceptional service to the community. In 1995, he was named an Institute for International Sport Ethics Fellow. Beebe has also served on various community boards, including the YMCA and Nashville Sports Council.

Born on February 27, 1957, Beebe is married to the former Molly Scanlon and has four children.

TEAM NOTEBOOK

- Missouri has a 22-10 record in Big 12 games over the last two years, the second-highest win total in the league during that span. The Tigers have had back-to-back 10-win campaigns for the first time since 1999-2000.
- The Tigers led the nation with 10.9 steals per game a year ago and have 759 thefts the last two seasons, a Big 12 two-year record. Mizzou also forced a nation-best 19.4 turnovers per contest.
- Ten of the 13 athletes on the MU roster played at least 10.1 minutes per game in 2009-10, with only two averaging more than 24.1 minutes. Ten different players led the team in scoring.
- Junior guard Kim English was named to the All-Big 12 Third Team last season, one of only three underclassmen in MU history to be named to the top three squads during the Big 12 era.
- Junior forward Laurence Bowers had 48 blocks a year ago to lead Missouri. The total was sixth on the Tigers' single-season rejections list and his 61 career blocks is just eight short of the school's all-time top 10.
