- 6 Alex Cristello (OSU) vs. Liza Wischer (ISU) – ISU led 6-4, 5-3, susp. [court 1]

**Records:** Oklahoma State 13-9; Iowa State 9-15

**Match Notes:** Oklahoma State advances to Friday's quarterfinals, where it will meet Texas at 3 p.m. Central

**Time of Match:** 2:53

**POST-MATCH COMMENTS**

**Oklahoma State Head Coach Chris Young**

**On the team's performance:** "I thought that our girls did well. It is obviously hot out there, and they took care of it. Iowa State has played us tough now twice, but the girls played well. We are just looking to getting back on the courts tomorrow and taking care of it."

**Iowa State Head Coach Armando Espinosa**

**On his team's performance:** "I thought that we played pretty well. I think that the doubles point was important, and it did not go our way. Once we came out, I think that there were a couple points there where if we took the momentum of the match, it could have gone a little more our way. They capitalized a little bit better on the matches, and that is the result. I do not think that it was necessarily a 4-1. I think that it was a little bit closer than that, but that is the way it goes."
