Time of Match: 1:59

POST-MATCH COMMENTS

Colorado head coach Nicole Kenneally

On the team's performance: Congratulations to Baylor. They were able to play a well-disciplined match and we were not able to keep up with them the way we wanted to. My hat goes off to them and I wish them the best of luck the rest of the season. I think our team got out there and they tried their best and it just fell short. Hopefully it gives them the motivation to see what is possible.

Baylor head coach Joey Scrivano

On the team's performance: They are playing very well and I think our whole team is playing very well. I was impressed to see Csilla (Borsanyi) win so convincingly. She had a tough match with that young lady last time they played and for her to not lose a game...it really says a lot about the way she is playing right now.

On upcoming match: I will feel better when we find out exactly who we are playing and have a better idea of the matchups and what we are going to need to do to come through tomorrow.
