POST-MATCH COMMENTS

Texas Head Coach Michael Center

On his team's performance: "That was an incredible match. Texas A&M has a great team and this is the third time we have played them and it is really hard to beat a team three times. In the same year. We knew we would get a great effort out of them today and the doubles did not go our way. We had some opportunities early at two doubles and we didn't get that point but the guys just stuck together and kept fighting."

Junior Ed Corrie

on winning his three-set match: "Unfortunately I couldn't close it out in two and that put a lot of pressure on me. And then the third was just a dog fight; I tried to stay ahead when I could and just keep holding onto my serve because I knew that was key because he [Dadamo] serves so well and just coming down the stretch I just had to make him play tough balls and I could capitalize on those."

Texas A&M Head Coach Steve Denton

On his team's performance: "It was a great match and both teams played their hearts out. It was a hotly contested doubles and singles; somebody had to lose that match today. You know, I have talked to all these Big 12 coaches and we all know that we are all getting better due to these close matches."

WOMEN

#1 Baylor 4, #2 Texas 0

POST-MATCH COMMENTS

Baylor Head Coach Joey Scrivano

On his team's performance: "I am just really proud of my team; they just competed real hard from start to finish. It is never easy to beat Texas. To play them in Austin twice this year and come out with two wins it is really impressive and I am really proud of them. It has been a great year and all the players are deserving of all the awards and recognition and they have earned it."

Texas Head Coach Patty Fendick-McCain

On her team's performance: "It is a little disappointing; we didn't play our best doubles today. Whenever you are starting without the doubles point, you have to win four matches and that is pretty tough. We fought hard all the way down the stretch. Baylor is the number ranked team in the country and we played real tough."
