No. 2 Oklahoma 3, No. 7 Kansas 2

Oklahoma Sooners

Oklahoma Head Coach Sunny Galloway

Opening Statement: "What a great game. It is almost a shame it was played so late. The fans didn't get to enjoy what everybody got to see."

On the team's performance : "The way we are playing right now, we are finding ways to win. That is the most important thing this time of year."

Right Fielder Cody Reine

On his team's performance: "I was just trying to make sure I get the job done. We are playing for one for the tie. I was looking to hit something in the air and stay with the count."

Pitcher Michael Rocha

On his performance: "I am not going to say it was my best stuff but it was good enough to get us through to the eighth."

Kansas Jayhawks

Kansas Head Coach Ritch Price

Opening statement: "I commend Oklahoma. That was an outstanding college baseball game and both pitchers were very, very good."

On keeping starting pitcher T.J. Walz in for the complete game: "That is the only second time he has gone 120 pitches all season. The other time is when he had the no-hitter in the ninth inning at Oklahoma State."

Pitcher T.J. Walz

On the ninth inning: "It got a little bit off on it and obviously the guy is going to tag up on third and tie the game. The ball carried and it is what it is."

Third Baseman Tony Thompson

On still being in contention: "I think we can do a great job in this tournament even though we lost that tough one. We have to come out and play well and I think we still have a shot."
