Texas A&M Aggies

Texas A&M Head Coach Rob Childress

Opening Statement: "I think both teams knew coming into this game what it meant, the opportunity to play on Sunday. I thought the story for us was Barret Loux, without question."

On not having to use the bullpen very much: "Hopefully we continue to have that problem and that issue. We have been playing very good defense the last six or seven weeks."

Pitcher Barret Loux

On what pitches were working for him: "Everything, moving the fastball in and out, the changeups and curveballs. I threw a few sliders here and there."

Left Fielder Joaquin Hinojosa

On running into the wall trying to make a catch: "I always try to give Barret (Loux) as much as I can do, a 100 percent all the time."

Missouri Tigers

Missouri Head Coach Tim Jamieson

Opening statement: "Congratulations to Texas A&M. They were definitely the better team tonight."

On the pitchers struggling in this game: "That is how we have been all year. Tonight is not atypical for the performance that we had on the mound. We were really good yesterday on the mound and weren't very good today on the mound."

First Baseman Aaron Senne

On playing Saturday: "It means a lot. We still want to go out and win. We are going to go out there and play just as hard as we would any other game."

Catcher Brett Nicholas

On playing Saturday: ""The biggest thing for us is making sure guys like Aaron Senne and Michael Liberto go out with a win."
