BIG 12 CONFERENCE - STRENGTH AND SUCCESS

The new Big 12 ushers in its 17th year by welcoming a new commissioner and two new members as it continues to promote the strength and success of one of the nation's premier athletic conferences.

Bob Bowlsby was named the Conference's fourth commissioner on May 4, 2012 after spending the previous six years as director of athletics at Stanford University. TCU and West Virginia became the Big 12's first additions since inception, joining Baylor, Iowa State, Kansas, Kansas State, Oklahoma, Oklahoma State, Texas and Texas Tech.

With 10 members, the Big 12 will remain as the only major conference in the nation to determine its champions in all sports directly on the field of play.

The Conference's hard work ethic and strong values have translated to enormous success in its first 16 years. Since it began competition in 1996-97, the league can boast of 47 NCAA team titles and 517 individual national championships. The trophy case added more hardware last year, including Baylor's second national championship in women's basketball, as well as the Hunter Seat title for BU in equestrian. In addition, Texas men's golf claimed the national crown.

Several other teams also made strong national showings. The 2011 season marked the sixth straight in which Big 12 volleyball represented with at least three teams in the NCAA Regional Semifinal field. Texas has made six consecutive appearances. The Big 12 finished first in NCAA Volleyball Conference RPI for the first time in its history. In addition to winning its second consecutive national title, Big 12 women's basketball claimed the top position in conference RPI for the fifth consecutive season. Kansas men's basketball advanced to the national title game and made its fourth Final Four appearance since 2002. Oklahoma finished second at the College World Series in softball. Overall in 2011-12, five of the eight sports that hold NCAA Championships where the Big 12 sponsored full round-robin competition had a school competing among the final eight teams or beyond.

The individual honors also continued with national coaches of the year in football (Kansas State's Bill Snyder and Oklahoma State's Mike Gundy), women's basketball (Baylor's Kim Mulkey) and men's basketball (Kansas' Bill Self). In addition, Texas' Matt Scoggin was named the CSCAA Diving Coach of the Year.

Baylor quarterback Robert Griffin III won the league's fifth Heisman Trophy – the most of any conference since 1998. Oklahoma pitcher Keilani Ricketts was selected the 2012 USA Softball Collegiate Player of the Year. Baylor center Brittney Griner garnered consensus national player of the year honors in women's basketball in addition to receiving the prestigious Honda Cup as the collegiate woman athlete of the year. The Conference has had 13 athletes earn major individual awards in football in the past three campaigns. Also in the fall, Haley Eckerman of Texas was tabbed the American Volleyball Coaches Association's Freshman of the Year. Overall, more than 1,400 student-athletes have earned All-America recognition in the past five years alone.

Through its first 16 years, the Big 12 has claimed a team national championship in 16 of the sports it sponsors. The Conference ranks second with seven appearances in the BCS National Championship Game and leads the country with 95 football consensus All-America selections. League squads have combined to lead the nation in women's basketball attendance each of the last 13 years and the Big 12 is the only conference to surpass the one-million mark in season attendance – doing so six times. In men's basketball, the league has had two teams in the regional finals in four of the past five seasons. No other conference has had multiple Elite Eight teams in a season as much during that span. During the last eight years a total of 26 NCAA trophies have been hoisted by Big 12 institutions, with at least one national crown won in all but one year for the Conference, including 15 consecutive seasons.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage.

Whether on the field, in the classroom, or within the community, the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

National academic accolades have always been strong in the Big 12. Danielle Robinson (Oklahoma) and Sam Acho (Texas) were selected to receive Today's Top VIII Awards – one of the NCAA's top honors. It recognizes student-athletes who completed their athletic eligibility during 2010-11 for success on the fields and courts, in the classroom and in the community. In 2011-12, two student-athletes were recipients of the NCAA Elite 89 Award. That honor showcases individuals who have reached the pinnacle of competition at the national championship level, while also achieving the highest academic standard among their peers.

In its short history, the Big 12 has also had over 500 Academic All-America recipients, averaging more than 30 each season. Big 12 student-athletes have shown commitment to their studies by earning numerous individual academic recognitions. Nine times in the past eight years a league athlete has garnered the top academic honor for their respective sport. The Big 12 had plenty of success overall in the classroom the last three years, as the Conference boasted 74 student-athletes earning Capital One/CoSIDA Academic All-America recognition through the spring of 2012.

The Big 12 can take pride in other stories that combine on and off the field success. Patience Knight (Texas Tech) was the recipient of the Honda Inspiration Award in 2008, given to an outstanding female college athlete who overcomes adversity to excel in her sport. She was diagnosed with a cancerous tumor in 2007, but rebounded to win All-America honors at the 2008 NCAA Indoor Track & Field Championships. Oklahoma State women's basketball was the inaugural recipient of the "Together We R" Team Award in 2012, recognizing programs that have strived to succeed in the face of adversity.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons. At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsperson of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships. A total of 293 scholars have received over \$2 million in postgraduate financial aid through the first 16 years of the program.

The Big 12 sponsors 23 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, equestrian, golf, gymnastics, indoor track & field, outdoor track & field, rowing, soccer, softball, swimming & diving, tennis and volleyball.

Big 12 institutions create a league that encompasses five states and nearly 37 million people. More than 4,200 student-athletes from across the United States and around the World compete annually in the sports sponsored by the Conference.

The Conference conducts postseason championships for 20 of its 23 sports. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition. The winner of the Big 12 football regular season championship earns the league's berth into the Bowl Championship Series.

In its first 16 years, the Conference has distributed more than \$1.6 billion to its member institutions. The conference office is headquartered in Irving, Texas.

COMMISSIONER BOB BOWLSBY

Bob Bowlsby, one of the most respected athletic administrators in the nation, was named the fourth full-time Commissioner of the Big 12 Conference on May 4, 2012. The hire was praised throughout college athletics circles as yet another step in the continuing strength and stability of the Big 12.

"The institutions of the Big 12 wanted a Commissioner that could take us to the next era as a conference and we unanimously agreed Bob is that leader," said Burns Hargis, president of Oklahoma State University and chair of the Big 12 Board of Directors. "The search committee looked for a candidate that has a vision for the next generation of college athletics, and his credentials and ideas exceeded this. He understands enhancing athletic competition among conference schools, the challenge of balancing academics and athletics for our student-athletes, and working with our broadcast and bowl partners."

Prior to his role at the Big 12, Bowlsby spent six years directing a Stanford University athletics department that sponsors 35 varsity sports and claimed an unprecedented 17 consecutive Learfield Sports Directors Cups, emblematic of the top overall athletics program in the country. The department maintained an annual budget of \$75 million.

Bowlsby arrived at Stanford after a 15-year stint as the chief administrator for the University of Iowa Department of Athletics. In his final four years, he guided and supervised the merger of the Hawkeye men's and women's athletic departments that included 24 varsity sports.

Throughout his career, Bowlsby has emerged as a national leader in intercollegiate and amateur athletics. He was appointed to the United States

Olympic Committee Board of Directors in 2007 and will complete that term at the 2014 Winter Olympiad in Sochi, Russia. He represented the NCAA as one of two voting members on the USOC. In 2002, President George W. Bush chose Bowlsby to be a member of the Commission on Opportunities in Athletics.

Bowlsby has previously served as president of the NCAA Division I-A Athletics Directors' Association, chair of the NCAA Division I Men's Basketball Committee (2003-04, '04-05) and chaired the NCAA Management Council. In addition, he has also chaired the NCAA Wrestling Committee, served on NCAA committees on Financial Aid and Amateurism, the Special Committee to Review Amateurism Issues and the Special Committee to Review Financial Conditions in Athletics.

The National Association of Collegiate Directors of Athletics (NACDA) named Bowlsby in 2001-02 as Central Region Athletic Director of the Year and Sports Business Journal selected him from the four regional award winners as the National Athletics Director of the Year. The award highlights the efforts of the athletic directors for their commitment and positive contributions to campuses and their surrounding communities.

Before his stint overseeing the Hawkeye athletic department he served in the same role for seven years at the University of Northern Iowa. A native of Waterloo, Iowa, Bowlsby was named to that post in 1984. He was previously in the role of Assistant Athletic Director for Facilities at the school.

Bowlsby earned his bachelor's degree from Moorhead State University (Minnesota) in 1975 and his master's degree from the University of Iowa in 1978. Born on January 10, 1952, he is married with four children.

FOOTBALL SCHEDULING & TIEBREAKER INFORMATION

Scheduling

All teams will play nine games as part of the Conference schedule – competing in a round robin format to establish a conference champion.

The Big 12 Conference Champion is the team that finishes the regular season with the highest winning percentage in conference games. If more than one team has the same winning percentage, the tied teams are declared co-champions.

Bowl Championship Series Representative Tiebreaker Procedure

The following procedure will determine the Big 12 Conference representative to the Bowl Championship Series in the event of a first-place tie:

- (a) If two teams are tied, the winner of the game between the two tied teams shall be the representative.
- (b) If three or more teams are tied, steps 1 through 4 will be followed until a determination is made. Once a team has been eliminated from a multi-team comparison, it is dropped from further comparisons. If only two teams remain tied after any step, the winner of the game between the two tied teams shall be the representative.
 1. The records of the three teams will be compared against each other
 2. The records of the three teams will be compared against the next highest placed teams in the conference
 3. The highest ranked team in the first Bowl Championship Series Poll following the completion of Big 12 regular season conference play shall be the representative, unless the two highest ranked tied teams are ranked within one spot of the other in the BCS poll. In this case, the head-to-head results of the top two highest ranked tied teams shall determine the representative in the Bowl Championship Series.
 4. The representative will be chosen by draw.

Football, volleyball and softball do not sponsor a postseason championship. The final softball and football championships were held in 2010. Volleyball has never sponsored a postseason championship.

Equestrian and rowing championships began in spring 2009 and became fully sponsored in 2011-12.

Big 12 titles for sports without round-robin conference play are determined by the postseason championship (Cross country, equestrian, golf, gymnastics, rowing, swimming & diving, indoor/outdoor track & field). Wrestling was determined in this manner prior to 2011-12.

Big 12 Conference Sportsmanship Statement

The member institutions of the Big 12 Conference are committed to competition in an arena where sportsmanship and the sense of fair play take center stage. Whether on the field, within the community or in the classroom, those who make up the Big 12 -- its administrators, coaches, game officials, and student-athletes -- support the highest ideals in sportsmanship.

At the heart of sportsmanship is the commitment of the institutions towards respect for the opposition and those officiating contests in the 23 sports sponsored by the Big 12. It is with a sense of fair play that a true sporting demeanor in the spirit of intercollegiate competition can be created and maintained with a total regard for the welfare of student-athletes, coaches, support personnel and spectators.

Sportsmanship on the field of play is governed by Conference rules and guidelines, as well as those established under the NCAA and amateur organizations. It is the responsibility of game officials and administrators to see to strict adherence to these guidelines. The behavior of spectators is managed by event personnel, who are encouraged to deal with interference or abuse of appropriate sporting behavior in the strictest of methods.

The Big 12 Conference and its member institutions appreciate the support of the majority of fans who wish to create an atmosphere of competition that allows the participants to showcase the game and their respective skills.

- The Conference has had a Heisman finalist (top four in the final voting) 11 out of 16 seasons.
- The Big 12 leads all conferences with 77 NCAA-recognized national award winners. All-time the Big 12 has produced 97 individual award winners.
