

Marielle Hall, Texas, Individual Champion

*On winning the individual championship*

"I'm super excited, it's a great honor. It's such a competitive conference. I've been here for four years so finally getting it my last year has been really special and I'm really excited about it."

*On excitement*

"It's a huge tradition to be a part of Texas so being able to contribute to that history and all of the great athlete's that have come before me and are yet to come. I'm so excited to be able to lay that foundation."

*On Nationals on November 23*

"Just continue to do what I've been doing, work hard and just have confidence that I can compete with the best and really just stay focused. Not getting too high not getting too low just trying to stay relaxed and I'm excited about what's to come."
