The Big 12 enters its 19th year as it continues to promote the strength and success of one of the nation's premier athletic conferences under the direction of third-year commissioner Bob Bowlsby.

TCU and West Virginia joined the league on July 1, 2012 and became the Big 12's first additions since inception, joining Baylor, Iowa State, Kansas, Kansas State, Oklahoma, Oklahoma State, Texas and Texas Tech.

With 10 members, the Big 12 remains as the only major conference in the nation to determine its champions in all sports directly on the field of play with a full round-robin schedule.

The Conference's hard work ethic and strong values have translated to enormous success in its first 18 years. In the fall of 2013, former Texas Tech track and field student-athlete Ifeatu Okafor was named the Big 12's first NCAA Woman of the Year. Texas became the 12th league volleyball squad to advance to the national semifinals while three teams placed in the top 15 at the NCAA Division I Men's and Women's Cross Country Championships. Big 12 football placed two teams for the sixth time in what was the final season of the BCS with Oklahoma defeating two-time defending national champion Alabama in the Sugar Bowl.

The 2014 winter and spring seasons were just as successful as Oklahoma claimed the Big 12's first NCAA Women's Gymnastics Championship and 14 student-athletes claimed individual national titles. Texas women's indoor and outdoor track & field, UT men's swimming & diving, Oklahoma men's tennis and Oklahoma State men's golf finished as NCAA runners-up. Baylor softball was one of the last four teams standing at the Women's College World Series and the Big 12 placed a nation's-best four baseball squads in the NCAA Super Regionals and three in the College World Series.

Since it began competition in 1996-97, the league can boast of 53 NCAA team titles and 552 individual national championships.

The Big 12 lays claim to five Heisman Trophy winners since 1996 and has had a finalist in 12 of its 18 seasons – tied for the most of any league. Twenty athletes have earned major individual awards in football in the past six campaigns. Overall, more than 1,900 student-athletes have earned All-America recognition in the past seven years alone.

Through its first 18 years, the Big 12 has claimed a team national championship in 17 of the sports it sponsors. The Conference finished the BCS era ranked tied for second with seven appearances in the National Championship Game. League squads combined to lead the nation in women's basketball attendance 15 consecutive years and the Big 12 is the only conference to surpass the one-million mark in season attendance – doing so six times. In men's basketball, the league has had seven teams earn NCAA bids twice in the past five years and every coach has guided a team to the NCAA Tournament, including a nation's-best six coaches that have led teams to the Final Four. During the last 10 years a total of 32 NCAA trophies have been hoisted by Big 12 institutions, with at least one national crown won in all but one year for the Conference, including 17 consecutive seasons.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community, the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

National academic accolades have always been strong in the Big 12. Danielle Robinson (Oklahoma) and Sam Acho (Texas) were selected to receive Today's Top VIII Awards – one of the NCAA's top honors. It recognizes student-athletes who completed their athletic eligibility during 2010-11 for success on the fields and courts, in the classroom and in the community. In the last three seasons, four student-athletes were recipients of the NCAA Elite 89 Award with pitcher John Curtiss (Texas) picking up the latest honor in the spring of 2014. The honor showcases individuals who have reached the pinnacle of competition at the national championship level, while also achieving the highest academic standard among their peers.

In its short history, the Big 12 has had 571 Academic All-America recipients, averaging more than 30 each season. Big 12 student-athletes have shown commitment to their studies by earning numerous individual academic recognitions. Eleven times in the past nine years a league athlete has garnered the top academic honor for their respective sport, including Frances Silva (West Virginia) for soccer and Gabe Ikard (Oklahoma) for football in 2013.

The Big 12 can take pride in other stories that combine on and off the field success. Patience Knight (Texas Tech) was the recipient of the Honda Inspiration Award in 2008, given to an outstanding female college athlete who overcomes adversity to excel in her sport. She was diagnosed with a cancerous tumor in 2007, but rebounded to win All-America honors at the NCAA Indoor Track & Field Championships. Oklahoma State women's basketball was the inaugural recipient of the "Together We R" Team Award in 2012, recognizing programs that have strived to succeed in the face of adversity. Following a devastating tornado south of Oklahoma City just before the Big 12 Baseball Championship in 2013, several league baseball teams along with other student-athletes, coaches and former Conference players contributed help in a variety of ways. Plus, the Conference contributed \$200,000 to the relief efforts.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons. At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsman of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships. A total of 341 scholars have received nearly \$2.3 million in postgraduate financial aid through the first 18 years of the program.

The Big 12 sponsors 23 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, equestrian, golf, gymnastics, indoor track & field, outdoor track & field, rowing, soccer, softball, swimming & diving, tennis and volleyball.

Big 12 institutions create a league that encompasses five states and nearly 38 million people. Nearly 5,000 student-athletes from across the United States and around the World compete annually in the sports sponsored by the Conference.

The Conference conducts postseason championships for 20 of its 23 sports. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition.

In its first 18 years, the Big 12 has distributed more than \$2.04 billion to its member institutions, including a record \$220.1 million in 2013-14. The Conference office is headquartered in Irving, Texas.

Dashes (--) indicate that the institution does not sponsor that sport.

Equestrian and rowing championships began in spring 2009 and became fully sponsored in 2011-12.

Football, volleyball and softball do not sponsor postseason championships. The final softball and football championships were held in 2010. Volleyball has never sponsored a championship.

Big 12 titles for sports without round-robin conference play are determined by the postseason championship (Cross country, equestrian, golf, gymnastics, rowing, swimming & diving, indoor/outdoor track & field, wrestling). Wrestling determined a regular-season champion only in 2012 and 2013.

** - Oklahoma won the 1996 Big 12 softball postseason title prior to the first academic year of Big 12 competition (1996-97).

BIG 12 BASKETBALL - ONE TRUE CHAMPION

For the fourth consecutive season, the Big 12 will play a full round-robin schedule - with every team playing every other twice (home and away). The Big 12 is the only one of its peer conferences (ACC, Big Ten, Pac-12, SEC) to employ a full round-robin schedule.

TOP-RATED RPI

For the second time in five years, the Big 12 ranked first in the nation in the RPI on Selection Sunday when it claimed the top spot in 2014. The Conference was also No. 1 in 2010 and has been rated in the top five each of the past seven seasons.

BIG 12 COACHING - THE NATION'S BEST

The Big 12 has a lineup of head coaches that is unmatched by any other conference in the country. Every coach in the league has guided a team to the NCAA Tournament.

Bruce Weber, K-State

In addition, six of the head coaches in the Big 12 have led teams to the Final Four at some point in their careers - the most of any conference. Five boast at least 500 career victories.

Nine of 10 head coaches have a minimum of 224 career wins while every head coach in the Big 12 has recorded a winning career record.

BIG 12 COACHES AMONG NATIONAL LEADERS

Big 12 head coaches also rank high among active coaches around the nation, both in winning percentage and victories. More than half (six of 10) of league mentors rank among the top 30 in either victories, win percentage or both.

FOREIGN INFLUENCE

Big 12 schools have done a great job of attracting top student-athletes from all over the globe in recent years, evidenced by the fact that three major award winners from last season and four members of the All-Big 12 First and Second Teams hailed from abroad.

This season, nine of 10 squads in the Big 12 have at least one player from a foreign country. Canada leads the way with five representatives on Big 12 rosters, followed by the Bahamas (2) and then Australia, Czech Republic, Greece, Jamaica, Puerto Rico and Ukraine with one each.

RANKINGS REGULARS

Nine of 10 teams (90 percent) in the Big 12 have been ranked in the top 25 since 2010. That's a greater percentage than any conference in the country during that span. Every squad that will compete in the Big 12 has been ranked at least once since 1999. A year ago, the Big 12 had more total teams ranked (seven) than any other league in the nation.

Entering the 2014-15 campaign, at least one conference team has been ranked every week since the Big 12 began competition in 1996-97, a span of 347 consecutive weeks.

NON-CONFERENCE SUCCESS

The Big 12 has won at least 71 percent of its non-conference games each of the past 15 seasons. Five of the best seven percentages in league history have come since 2008-09.

In recent years, Big 12 players has been fixtures in the annual NBA Draft and this past season was no different. In the 2014 NBA Draft, the Big 12 had three of the top six selections overall. *It marked just the fifth time since 1985 that one conference has boasted three of the top six choices.*

The Big 12 has also had a player selected among the top seven picks each of the past nine seasons (2006-14).

The Big 12 has had at least one first-round draft choice in 17 of 18 seasons. There has been at least one athlete among the top 10 overall selections in 14 of 18 years.

The Big 12 has had 20 first-round picks in the last five drafts. A total of 35 Big 12 players have been drafted since 2010, with nine or more players picked in the same draft three times since 2008.

.761 - Big 12 winning percentage in non-conference play in 2013-14. The mark was the best of any conference in the nation.

The Phillips 66 Big 12 Men's Basketball Championship will continue in Kansas City in 2015, with Sprint Center hosting the league championship for the seventh time. All 10 institutions will participate with seeding based on regular season finish. The top six squads in the conference standings earn first-round byes. The Big 12 Champion earns the league's automatic bid to the 68-team NCAA Championship field. The entire Big 12 Championship will be televised nationally for the first time on ESPN, ESPN2 and ESPNU.

CHAMPIONSHIP TIEBREAKING PROCEDURES

Seeding for the Championship will be based upon regular-season competition. The winner of the postseason basketball championship shall be declared the Big 12 automatic qualifier to the NCAA Championship. A team ineligible under NCAA or Big 12 rules for postseason competition shall not compete in the championship.

Tiebreakers - The first criteria in the breaking of ties in the standings shall be head-to-head competition of tied teams. The following procedure will be used to establish the postseason championship seeds when ties exist.

Ties Involving Two Teams

- Results of head-to-head competition during the regular season.
- Each team's record vs. the team occupying the highest position in the final regular-season standings, and then continuing down through the standings until one team gains an advantage. When arriving at another group of tied teams while comparing records, use each team's record against the collective tied teams as a group (prior to that group's own tie-breaking procedure), rather than the performance against individual tied teams.
- A comparison of the tied teams Conference-games only road record.
- A comparison of the tied teams Conference-games only road record vs. the team(s) occupying the highest position in the final Conference regular season standings, and then continuing down through the standings until one team gains an advantage. When arriving at another group of tied teams while comparing records, use each team's record against the collective tied teams as a group (prior to that group's own tie-breaking procedure), rather than the performance against individual tied teams.
- Draw. In the event tiebreaking procedures are unsuccessful and a draw is necessary in determining any portion of seeding, the following procedure will be used:
 - The draw will be conducted in public or with media attendance.
 - Institutions involved in the drawing have the right to have a local representative in attendance at the drawing.
 - A single slip of paper for each institution (with name or logo) will be placed into a container and will be drawn in order of seeding from highest to lowest.

Ties Involving More than Two Teams

- Results of collective head-to-head competition during the regular season among the tied teams (mini round-robin).
- If more than two teams are still tied, each of the tied team's record vs. the team occupying the highest position in the final regular season standings, and then continuing down through the standings, eliminating tied teams with inferior records until one team gains an advantage.

When arriving at another group of tied teams while comparing records, use each team's record against the collective tied teams as a group (prior to that group's own tie-breaking procedure), rather than the performance against individual tied teams.

- If more than two teams are still tied, a comparison of the tied teams Conference-games only road record.
- If more than two teams are still tied, a comparison of the tied teams Conference-games only road record vs. the team(s) occupying the highest position in the final Conference regular season standings, and then continuing down through the standing until one team gains an advantage.

When arriving at another group of tied teams while comparing records, use each team's record against the collective tied teams as a group (prior to that group's own tie-breaking procedure), rather than the performance against individual tied teams.

- If at any point the multiple-team tie is reduced to two teams, the two-team tie-breaking procedures above will be applied.
- Once a team is eliminated from a multi-team comparison, it is dropped from further comparisons.

BIG 12 BASKETBALL TELEVISION DISTRIBUTION

The Big 12 Conference maintains long-term television agreements to ensure the greatest exposure for its men's basketball programs. Included below is a breakdown of these rights and how they affect which games are televised, and when they are shown.

ESPN has the rights to 100-105 games, plus all games of the Phillips 66 Big 12 Men's Basketball Championship. Of those contests:

- Forty-three games (minimum of 30 Conference games) will be televised on either ESPN or ESPN2
- Guaranteed national telecasts on Monday, Wednesday and Saturdays during Conference play
- Ability to sublicense 20 additional games to a national over-the-air or cable outlet
- Up to 40 games per year on ESPNU and six additional games on ESPN3

Appearance Requirements

There are no appearance requirements (minimums or maximums) for games on the various ESPN platforms.

Game Times/Exclusive Windows

There are only a few exclusive windows in men's basketball. Institutional packages are restricted from televising games during Big Monday telecast windows and Saturday prime times windows when a Big 12 school is hosting College Game Day. Those are fully protected two-hour windows.

Distribution of Institutional (Local) Package Games

ESPN controls the national/regional distribution of games and the contract may limit the geographical reach of institutional (third-tier or local) package games to the state(s) of the participating team(s).

The guidelines for the distribution of these games include the following.

- Telecasts may be distributed only within the states (and overlapping DMAs) of the two participating teams, except when a game is distributed via a member institution branded outlet. The visiting team is not guaranteed the ability to take the game back to its home market(s)
- At its option, institutions may present the telecasts to ESPN for placement on ESPN Full Court
- In many instances, unselected games produced as part of the local package may be distributed by school websites

Revenue Distribution Process

Basketball television revenue is divided equally among all member institutions. Each member retains the revenue it receives for their local package telecasts.

- Fred Hoiberg has 90 wins in his first four seasons as head coach, setting a school record. He has finished fourth or higher in the conference each of the last three years, the first time since 1984-86 that ISU has accomplished that feat.

TEAM NOTEBOOK

- West Virginia was one of two Big 12 teams (Texas) with no seniors on its roster a year ago. The Mountaineers will also add two frontcourt players (Jonathan Holton, Elijah Macon) that sat out last season along with five newcomers.
- Senior guard Juwan Staten scored in double figures in 31 games last year, the fourth-best total in school history. He dished out seven or more assists 12 times and finished the year with 197, two short of the school record.
- Staten led the league in both scoring (18.1 ppg) and minutes played (37.3 mpg), the first Mountaineer to lead the Big 12 in an overall individual statistical category since WVU joined the conference.
- The Mountaineers have earned 10 postseason bids in the past 11 years, including seven NCAA appearances. WVU has 25 NCAA bids all-time.
- Sophomore forward Devin Williams posted a double-double in three of his last five outings of 2013-14. He had at least seven rebounds in a game 21 times and his nine double-digit efforts on the boards tied for the most among Big 12 freshmen.
