QUOTES

Texas Tech head coach Tim Siegel

"Words cannot describe how difficult this one is. I have never experienced anything like this. Tied 3-3 and leading 5-0 in the third set and last match on ... You just have to give credit to OSU. They pulled it out. Hopefully we will hear our named called on Tuesday."

Oklahoma State head coach Jay Udwadia

"I thought we played real smooth in doubles. We started off on fire, kind of like we did in the first match we played against them this season. We knew, whether we win or lose the doubles point, that they were going to be great in singles. We tried to do our best job of winning some first sets there, but we lost five of six first sets. To come back and stay on course, I give credit to all the guys for doing that. You just don't see that very often. Heartfelt feelings go out to Texas Tech, but you have to give it to Lucas [Gerch] for hanging in there. As a freshman, that's a pretty remarkable victory."
