QUOTES

Oklahoma head coach John Roddick

"I thought TCU played a really good match. You can see by the score line it was highly competitive. My hat goes off to their effort. Our guys did a good job at the end pulling it out, which we've done a lot of times this year. I am proud of the effort but I would like to see them do a few things differently moving forward."

TCU head coach David Roditi

"At the end of the day I am really proud of our team, what they have endured all year. We have had every opportunity on the court and we let it slip but these guys never give up and we almost pulled off a big upset today. I am really proud of our team for that."
