QUOTES

Baylor head coach Matt Knoll on win against Oklahoma State

"At the end of the day Oklahoma State played well. They put a lot of pressure on us. It was a lot like the match we played against them in Stillwater. We just won those tiebreakers up there. They were into the matches and it was a challenge."

Coach Knoll on preparing for Oklahoma

"If you look at the national rankings, they are the best team in the league. They have been rough on us lately. They have beaten us three times in a row. They have a heck of a program. They have a lot of really, really good tennis players. We are going to have to come out and play a great match tomorrow." – Knoll on facing Oklahoma in the final tomorrow.

NOTES

*No. 1 Baylor advances to Sunday's championship match to face No. 3 Oklahoma.

*Baylor will be looking for its eighth postseason Big 12 crown in program-history.

*The Bears will be making their third-consecutive championship match appearance.

QUOTES

Oklahoma head coach John Roddick

"I think our guys did a really good job with coming out with energy today and played really disciplined tennis, especially when it got a little breezy. That was a big improvement over some of the matches that we've had where we've either lost or made them way tougher than maybe they should have been and its to nice to see that because in tournament play you have to play everyday, so finishing earlier gives us time to rest."

Texas head coach Matt Center

"Oklahoma is a good team. They're a good team, and when we had beaten them before we had capitalized on our opportunities. We just kept letting them stay in sets, and when we had opportunities and we just didn't close the door. Even though we lost 4-0, we were still in those matches. I give Oklahoma credit. We just didn't get the job done when we had chances to."

NOTES

*No. 3 Oklahoma advances to Sunday's championship match to face No. 1 Baylor.

*Oklahoma is looking to win its third-consecutive Big 12 Championship (2012-'13).

*The Sooners have now advanced to the championship match four years in a row.

QUOTES

Baylor head coach Joey Scrivano on today's match

"I think we are competing really hard and are focused on the task and process. We are obviously not getting too hung up on the outcome and that is an area I am really proud of. It is hard to not look too far ahead and not just do the job in front of you. For back-to-back days we have done a great job of focusing on the task and good things have come from it." –Scrivano on the focus of the team.

NOTES

*Baylor will face Oklahoma State in Sunday's championship match.
