QUOTES

Baylor head coach Joey Scrivano

"I am just proud of these girls. It all starts with your seniors. Their leadership really made a difference then. I think that was the difference the last couple of years. We just didn't have that strength of leadership all the way through our team. This year our senior were incredible. They just pulled the whole team up. That's where it all starts."

Oklahoma State head coach Chris Young

"You give all the credit to Baylor. They played real tough, they battled, and they have a lot of experience. They just executed in the key moments, and I thought our kids really battled. For us to be such a young team, it was good for us to get into this position and get this experience. I think we learned some things today that will help us in the postseason."

QUOTES

Baylor head coach Matt Knoll

"I always think we can pull it out. I had a lot of confidence in all the guys that were out there. Diego's guy served for the match in the second set and when he broke there I thought that we had a path. I really felt like Patrick would get it done and I really thought Mitchel would get it done. Momentum was so radically on their side (when we were down 3-1). Their crowd was into it, but it is hard to cheer when you are getting drilled and we were getting drilled, but we hung in there." –Head coach Matt Knoll on being down 3-1 and getting the win.

"I am proud of our guys. I had looked at some scores around the country where teams had lost the doubles and a bunch of first sets and had still gone on to win the match. I brought that to practice and said, 'look we are going to have to do this to achieve what we want to achieve.' Today was that day." –Knoll on the comeback upset win.

NOTES

*The Bears have now won eight postseason Big 12 titles (2003-'05, '07-'09 & '14).

*BU now has 19 Big 12 titles (8 postseason, 11 regular season).

*Baylor moves to 23-5 on the season while Oklahoma falls to 23-3.

*Baylor's Patrick Pradella was named the Most Outstanding Performer of the 2014 Big 12 Championship after clinching the match for the Bears.
