### Michael Center, Texas Head Coach

#### On the match:

"It was a great match, we know Texas Tech has a great team, everybody in this conference is very good. There were some real momentum swings today, back and fourth. I was really proud of our guys and how we just stayed the course today and that's what I was looking for. If we compete like that, that's all I can ask for. I'm real happy with the win and we're excited about playing Oklahoma. "

### Tim Siegel, Texas Tech Head Coach

#### On ...:

"This match could have gone either way. There was about a one-minute window where the momentum shifted. Down 2-1, Jolan (Cailleau) is up 4-2 in the third set. Felipe (Soares) is tied 3-3 in the third and Francisco (Zambon) was just starting the third. We were right there, but there were some things that prevented us from winning. We have got to clean that up. It was a disappointing loss because we were so close but we will bounce back. You have to give a lot of credit to Texas. They are No. 10 in the nation for a reason."

### Match Notes:

- No. 4 seed Texas advances to play No. 1 seed Oklahoma at 12 p.m. in Saturday's semifinals. Oklahoma won the regular season meeting vs. Texas, 4-1, on March 29 in Norman, Okla.
- Due to rain in the area, the match was moved indoors and only singles were played.
