FINISH ORDER: Singles: 4, 3, 6, 5, 2, 1 Doubles: 3, 2, 1

Matt Knoll, Baylor Head Coach

On the tie-break finish:

"The mistake that you can make is when you start scoreboard watching and paying attention to stuff like that. You've got to get to four points. We got to three relatively quickly but we just couldn't seem to find that fourth one and that's tennis. We've lost a lot of matches. We got to three and you've got to stay focused and keep pushing. I thought TCU really took the momentum there from us for awhile and just really played an exceptional level of tennis."

David Roditi, TCU Head Coach

On the match and tie-break:

"I am obviously disappointed. We were right there and had a match point, but I couldn't be more proud of our guys for the way they fought back. We didn't have the best start possible and it is hard on the road, but we kept fighting and came back in some matches. Nick (Chappell) was down a set and 5-3 in the second and I couldn't be more proud of Nick for coming back in that second set and winning. He then put himself in a situation to get us a win and I know he wanted that match more than anybody. I am proud of him for the way he played and Baylor deserves the credit. They hit the shots at the right time. I am also extremely proud of the way our guys handled this whole situation. I thought our guys couldn't show more class and I am proud to say I am their coach."

Match Notes:

- No. 2 seed Baylor advances to play No. 1 seed Oklahoma at noon in Sunday's championship. Oklahoma won the regular season meeting vs. Baylor, 4-3, on April 10 in Waco, Texas.
