BIG 12 CONFERENCE

The Big 12 begins its 21st year in 2016-17 as it continues to promote the strength and success of one of the nation's premier athletic conferences under the direction of fifth-year commissioner Bob Bowlsby.

TCU and West Virginia joined the league on July 1, 2012 and became the Big 12's first additions since inception, joining Baylor, Iowa State, Kansas, Kansas State, Oklahoma, Oklahoma State, Texas and Texas Tech.

With 10 members, the Big 12 remains as the only autonomy conference to determine its champions in all sports directly on the field of play with a full round-robin schedule. The Conference's hard work ethic and strong values have translated to enormous success in its first 20 years. Since it began competition in 1996-97, the league can boast of 57 NCAA team titles and 625 (through June 15) individual national championships.

The Big 12 has been at the forefront in college athletics reform, specifically with student-athlete welfare issues to include cost of attendance, student-athlete time demands and strengthening its policy for concussion diagnosis and management. In 2014-15, the Big 12 introduced and hosted three "State of Collegiate Athletics" forums to examine the issues facing college athletics. Two were conducted in Washington, D.C and one in New York City. Panelists included respected authorities from intercollegiate athletics, university leadership and sports journalism. The third forum featured a special session comprised of student-athletes. The Big 12 continued the "State of Collegiate Athletics" forums in 2015-16 with Dallas serving as the site for a November 2015 event.

The Conference had a banner year on the national stage in 2015-16. Two teams competed in 2015 College Football Playoff New Year's Bowls for the second consecutive season. Oklahoma made the Conference's first appearance in the CFP semifinals in 2015, the second year of the structure, while OU men's basketball advanced to the Final Four. Other highlights included national championships by Texas men's swimming and diving and Oklahoma women's gymnastics and softball. National runner-up finishes were recorded by Texas volleyball, Oklahoma State wrestling, TCU equestrian, Texas men's golf, Oklahoma men's tennis and Oklahoma State women's tennis. Three Big 12 squads were among the eight teams that advanced to baseball's College World Series.

The Big 12 lays claim to five Heisman Trophy winners since 1996 and has had a finalist in 12 of its seasons. Twenty-five major individual awards have been won by Big 12 student-athletes in football over the past seven campaigns. Overall, more than 4,800 student-athletes have earned All-America recognition. West Virginia soccer standout Kadeisha Buchanan earned the Hyundai Young Player Award at the 2015 World Cup while playing for her native Canada, given to the player born in 1995 or later that made the biggest impression in the competition.

Through its first 20 years, the Big 12 has claimed a team national championship in 17 of the sports it sponsors. The Conference finished the BCS era ranked tied for second with seven appearances in the National Championship Game. The league has finished in the top two of women's basketball conference RPI in nine of the last 10 years and sent at least 70 percent of its teams to postseason for the seventh-straight season. In men's basketball, the league has had seven teams earn NCAA bids four times in the past seven years. Every coach has guided a team to the NCAA Tournament - including five that have led teams to the Final Four - while seven boast career win percentages of .700 or higher. During the last 12 years a total of 36 NCAA trophies have been hoisted by Big 12 institutions, with at least one national crown won in all but one year for the Conference, including 19 consecutive seasons.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community, the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

National academic accolades have always been strong in the Big 12. Ty Darlington (Oklahoma) was the recipient of the 2015 William V. Campbell Trophy, known as

the Academic Heisman. Gabe Ikard (Oklahoma) was presented the NCAA Today's Top 10 Award in January 2015. It recognizes former student-athletes for their successes on the fields and courts, in the classroom and in the community. Since 1996, the Big 12 has a total of 11 honorees for this prestigious award. In the last five seasons, nine student-athletes were recipients of the NCAA Elite 90 Award with volleyball's Janae Hall (Kansas), men's basketball's C.J. Cole (Oklahoma), women's golf's Laura Lonardi (Baylor) and baseball's Tyler Floyd (Texas Tech) picking up the latest honors in 2015-16. The accolade showcases individuals who have reached the pinnacle of competition at the national championship level, while also achieving the highest academic standard among their peers.

In its short history, the Big 12 has over 600 Academic All-America recipients, averaging about 30 each season. Big 12 student-athletes have shown commitment to their studies by earning numerous individual academic recognitions. Twelve times in the past 12 years a league athlete has garnered the top academic honor for their respective sport, including Christina Hillman (Iowa State) for track & field/cross country in 2016.

The Big 12 can take pride in other stories that combine on and off the field success. In the fall of 2013, former Texas Tech track and field student-athlete Ifeatu Okafor was named the Big 12's first NCAA Woman of the Year. Patience Knight (Texas Tech) was the recipient of the Honda Inspiration Award in 2008 while Imani McGee-Stafford (Texas) was honored in 2015. It is given to an outstanding female college athlete who overcomes adversity to excel in her sport. Oklahoma State women's basketball was the inaugural recipient of the "Together We R" Team Award in 2012, recognizing programs that have strived to succeed in the face of adversity. Following a devastating tornado south of Oklahoma City just before the Big 12 Baseball Championship in 2013, several league baseball teams along with other student-athletes, coaches and former Conference players contributed help in a variety of ways. Plus, the Conference contributed \$200,000 to the relief efforts. In the fall of 2014, Oklahoma football student-athlete Sterling Shepard and head coach Bob Stoops were honored with the Disney Sports Spirit Award while Kansas football student-athlete JaCorey Shepherd received the Lee Roy Selmon Community Spirit Award. Ty Darlington (Oklahoma) earned the 2015 Wuerffel Trophy which recognizes community service along with athletic and academic success.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons. At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsman of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships. A total of 381 scholars have received over \$2.7 million in postgraduate financial aid through the first 20 years of the program.

The Big 12 sponsors 23 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, equestrian, golf, gymnastics, indoor track & field, outdoor track & field, rowing, soccer, softball, swimming & diving, tennis and volleyball.

Big 12 institutions create a league that encompasses five states and nearly 38 million people. Nearly 5,000 student-athletes from across the United States and around the World compete annually in the sports sponsored by the Conference.

The Conference conducts postseason championships for 20 of its 23 sports. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition.

In its first 20 years, the Big 12 has distributed approximately \$2.6 billion to its member institutions, including a record \$30.4 million per institution in 2015-16, an increase of 20 percent over the previous year. The Conference office is headquartered in Irving, Texas.

COMMISSIONER BOB BOWLSBY

Bob Bowlsby, one of the most respected athletic administrators in the nation, was named the fourth full-time Commissioner of the Big 12 Conference on May 4, 2012. The hire was praised throughout college athletics circles as yet another step in the continuing strength and stability of the Big 12.

Bowlsby has been at the forefront of change in collegiate athletics and was appointed to the inaugural NCAA Division I Council in 2015. The Division I governance body revises and establishes new governance rules that will oversee and guide all of college sports. He is also the chair of the Football Oversight Committee which oversees all aspects of collegiate football and reports directly to the NCAA Division I Council.

In 2014-15, the Big 12 introduced and hosted three "State of Collegiate Athletics" forums to examine the issues facing college athletics. Two were conducted in Washington, D.C and one in New York City. Bowlsby led a group of panelists that included respected authorities from intercollegiate athletics, university leadership and sports journalism. The third forum featured a special session comprised of student-athletes. The athletics forums continued into the 2015-16 academic year with a fourth event held in Dallas.

In his short tenure with the Conference, Bowlsby finalized one of the most lucrative television deals in college athletics and played a key role in the formation of the College Football Playoff that began in 2014-15, the first postseason playoff in the history of the sport. He also negotiated a partnership with the Southeastern Conference in which both leagues' champions will meet each year in the Allstate Sugar Bowl in addition to confirming the league's other bowl partnerships, giving the Big 12 some of the premier postseason destinations in college football. Additionally, under his leadership, the Big 12 Football Championship Game was reinstated beginning with the 2017 season.

Improved scheduling has been another priority under Bowlsby which resulted in a men's basketball Big 12/SEC Challenge that was staged for the first time in 2013-14. Women's basketball also created a Big 12/SEC Challenge that will expand to full conference participation in 2016-17. A non-conference scheduling requirement was added in football in which every team must annually play at least one non-conference game against an autonomy conference institution (ACC, Big Ten, Pac-12 and SEC) or Notre Dame.

In his first four years, Bowlsby has seen 10 national championships added to the Big 12 trophy case and 86 NCAA individual event crowns. Fourteen additional conference squads finished as runner-up in NCAA competition. Two teams competed in 2015 College Football Playoff New Year's Bowls for the second consecutive season. Oklahoma made the Conference's first appearance in the CFP semifinals in 2015, the second year of the structure, while OU men's basketball advanced to the Final Four. Other highlights this past year included national championships by Texas men's swimming and diving and Oklahoma women's gymnastics and softball. National runner-up finishes were recorded by Texas volleyball, Oklahoma State wrestling, TCU equestrian, Texas men's golf, Oklahoma men's tennis and Oklahoma State women's tennis. Three Big 12 squads were among the eight teams that advanced to baseball's College World Series.

Bowlsby has led the Big 12 Conference to record revenue amounts with an all-time high of \$30.4 million per school in 2015-16, an increase of 20 percent over the previous year.

Prior to his role at the Big 12, Bowlsby spent six years directing a Stanford University athletics department that sponsors 35 varsity sports and claimed an unprecedented 17 consecutive Learfield Sports Directors Cups, emblematic of the top overall athletics program in the country.

Bowlsby arrived at Stanford after a 15-year stint as the Director of Athletics for the University of Iowa. In his final four years, he guided and supervised the merger of the Hawkeye men's and women's athletic departments that included 24 varsity sports.

Throughout his career, Bowlsby has emerged as a national leader in intercollegiate and amateur athletics. He was appointed to the United States Olympic Committee Board of Directors in 2007 and completed that term at the 2014 Winter Olympiad in Sochi, Russia. In 2002, President George W. Bush chose Bowlsby to be a member of the Commission on Opportunities in Athletics.

Bowlsby has previously served as president of the NCAA Division I-A Athletics Directors' Association, chair of the NCAA Division I Men's Basketball Committee (2003-04, '04-05) and chaired the NCAA Management Council. In addition, he has also chaired the NCAA Wrestling Committee, served on NCAA committees on Financial Aid and Amateurism, the Special Committee to Review Amateurism Issues and the Special Committee to Review

Financial Conditions in Athletics.

The National Association of Collegiate Directors of Athletics (NACDA) named Bowlsby in 2001-02 as Central Region Athletic Director of the Year and Sports Business Journal selected him from the four regional award winners as the National Athletics Director of the Year. The award highlights the efforts of the athletic directors for their commitment and positive contributions to campuses and their surrounding communities.

Before his stint overseeing the Hawkeye athletic department he served in the same role for seven years at the University of Northern Iowa. A native of Waterloo, Iowa, Bowlsby was named to that post in 1984. He was previously in the role of Assistant Athletic Director for Facilities at the school.

Bowlsby earned his bachelor's degree from Minnesota State University (Moorhead) in 1975 and his master's degree from the University of Iowa in 1978. In February 2013, he was named to the NCAA 40th Anniversary Tribute Team, which recognized the 40th anniversary of NCAA Division II competition. He was a four-year letterwinner in wrestling at MSUM and served as captain during his senior year when he won a NSIC title, and in 2013 he received the Alumni Achievement Award. Bowlsby was inducted into the Dragon Sports Hall of Fame in 1998 and the University of Northern Iowa Hall of Fame in 2007. He also serves on the National Advisory Board of the Positive Coaching Alliance and the Board of the National Football Foundation.

Born on January 10, 1952, Bowlsby has been married to his wife, Candice, for 39 years. They have four children and four grandchildren.

Big 12 Conference Sportsmanship Statement

The member institutions of the Big 12 Conference are committed to competition in an arena where sportsmanship and the sense of fair play take center stage. Whether on the field, within the community or in the classroom, those who make up the Big 12 -- its administrators, coaches, game officials, and student-athletes -- support the highest ideals in sportsmanship.

At the heart of sportsmanship is the commitment of the institutions towards respect for the opposition and those officiating contests in the 23 sports sponsored by the Big 12. It is with a sense of fair play that a true sporting demeanor in the spirit of intercollegiate competition can be created and maintained with a total regard for the welfare of student-athletes, coaches, support personnel and spectators.

Sportsmanship on the field of play is governed by Conference rules and guidelines, as well as those established under the NCAA and amateur organizations. It is the responsibility of game officials and administrators to see to strict adherence to these guidelines. The behavior of spectators is managed by event personnel, who are encouraged to deal with interference or abuse of appropriate sporting behavior in the strictest of methods.

The Big 12 Conference and its member institutions appreciate the support of the majority of fans who wish to create an atmosphere of competition that allows the participants to showcase the game and their respective skills.

FOOTBALL SCHEDULING & TIEBREAKER INFORMATION

Scheduling

All teams will play nine games as part of the Conference schedule competing in a round robin format to establish a conference champion.

The Big 12 Conference Champion is the team that finishes the regular season with the highest winning percentage in conference games. If more than one team has the same winning percentage, Conference tiebreaker procedures will determine the Conference Champion.

Tiebreaker Procedure

The following procedure will determine the Conference Champion. The tiebreaker will also be used to break other ties as necessary. For the avoidance of doubt, only Conference records will be used throughout the process:

- a. If two teams are tied, the winner of the game between the two tied teams shall be the champion.
- b. If three or more teams are tied, steps 1 through 4 will be followed until a determination is made. Once a team has been eliminated from a multi-team comparison, it is dropped from further comparisons. If only two teams remain tied after any step, the winner of the game between the two tied teams shall be the Champion.
 1. The conference records of the three or more teams will be compared against each other.
 2. The conference records of the three or more teams will be compared against the next highest placed team(s) in the conference (4, 5 and 6....).
 - a. When comparing against the next highest placed teams, a two-way tie among the next highest placed teams will be broken by head-to-head before the comparison begins.
 - b. If more than a two-way tie exists among the next highest placed teams, record against the collective tied teams as a group will be used.
 3. Scoring differential among the tied teams. The team with the lowest difference between points scored and points allowed in games vs. the tied teams are eliminated from consideration.
 4. Draw (In the event steps 1-3 cannot break a multi-team tie the champion will be determined by draw at the Conference office.)

In the event that scheduled regular season contests cannot be played as originally scheduled, every effort shall be made to reschedule such a contest at the earliest possible date, provided that such rescheduling does not interfere with classes, examination periods, NCAA rules, or other sports prohibitions. If contests cannot be rescheduled and in the event of a first-place tie, the conference tiebreaker system will be utilized to identify the Conference Champion.

COLLEGE FOOTBALL PLAYOFF

College football entered a new four-team playoff era beginning with the 2014-15 season.

The format is simple: the best four teams, two semifinals played in bowl games and a championship game played in a different city each year.

A group of individuals with experience as coaches, student-athletes, collegiate administrators and journalists, along with sitting athletics directors, comprise the selection committee. The group meets in person several times each year.

The selection committee chooses the four teams for the playoff based on body of work, strength of schedule, head-to-head results, comparison of results against common opponents, championships won and other factors.

Fans will enjoy two days of triple headers. Two semifinals and four other premier bowl games will be played on New Year's Eve and January 2 for the 2016-17 season. Semifinal games will rotate among

COLLEGE FOOTBALL PLAYOFF

six different bowls extending the experience to more fans. The championship game will be on a Monday night every year.

The Management Committee will select cities to host the National Championship Game. A city can host a bowl game and the championship game in the same year. A city, cannot, however, host a semifinal and championship game in the same year.

Every FBS team will have equal access to the playoff based on its performance. No team will qualify automatically.

The FBS conferences manage the College Football Playoff. University presidents and chancellors from the 10 leagues and Notre Dame form the Board of

Managers and govern the administrative operations, with commissioners (the Management Committee) and managing the event with guidance from an advisory group of athletics directors.

In addition to creating a four-team playoff, the new postseason structure preserves the best regular season in sports and protects America's rich bowl tradition.
