* - OVC-Big South Association game

OVC-Big South Association member in ALL CAPS

2-MINUTE OFFENSE

OPENING KICKOFF: Tennessee Tech is ranked No. 15/16 this week, marking the 15th consecutive week that an Association member has appeared in the National Top 25 poll -- a league record. The previous best for the Association was 14-straight weeks in the 2023 campaign (pre-season poll to final poll). Tennessee Tech has its highest ranking since Oct. 31, 2011 (No. 15 in Coaches poll).

1st DOWN: Charleston Southern and Lindenwood play the first conference game of the season on Saturday. CSU last started 1-0 in OVC-Big South games in 2023 (W, 24-10 over Lindenwood), while Lindenwood last won its league opener last year (W, 28-25 at Eastern Illinois).

2nd DOWN: Tennessee Tech carries a 7-game win streak into this week's action, dating back to last year -- the longest active win streak in the Football Championship Subdivision, and tied for the longest overall winning streak in the Association's three years of existence.

3rd DOWN: The Golden Eagles' current 7-game streak includes wins in their five games of the 2024 season, as well as 5-straight home wins in that span. Tech is 2-0 for the first time since 2012, and is seeking its first 3-0 start since 1977 (started 8-0).

4th DOWN: The Association will play the No. 1-ranked FCS program for the third time in its young history when Southeast Missouri travels to No. 1/1 North Dakota State on Saturday. The previous times were last week when Tennessee State hosted the Bison, and in the 2024 FCS Playoffs when UT Martin played at then-No. 1/1 Montana State in the second round.

OVERTIME: Tennessee Tech and Tennessee State are the first Association members to open the season with at least three consecutive home games. The Tigers will be the lone member with four-straight home tilts to start a campaign when TSU hosts Tech on Sept. 27.

ABOUT THE OVC-Big South Football Association

This is the third season of the OVC-Big South Football Association. On Feb. 22, 2022, the Big South Conference and Ohio Valley Conference announced the creation of an association of their football member institutions that began play with the 2023 NCAA Division I football season. The initial agreement of at least four years was enhanced on June 12, 2024 that will provide an opportunity to extend the original partnership through 2030 and beyond. The unique agreement combines the two conferences' football membership to ensure NCAA championship access and stability for the multisport conferences. In creating the association, presidents from each of the multisport conferences pointed to the similarities of the OVC and the Big South, with their complementary geographies and intercollegiate athletic philosophies, as key to making this association possible.

OVC-Big South Football Tiebreaker Procedure

1. TRANSITIONING SCHOOLS

- To be eligible for the conference's automatic bid to the FCS Football Championship, a school must be a full Division I member.
- Transitioning schools will be utilized in the tiebreaker process.
- If a transitioning school is involved in a two-way tie, the tied team that is eligible for postseason competition shall be the league's recipient of the automatic bid.
- If a transitioning school wins the multi-team tiebreaker, the procedure would start over with the remaining teams.

2. TWO-WAY TIE

- If the two teams played each other during the conference season, the winner of the head-to-head contest shall be the league's recipient of the automatic bid.
- If the tied teams did not play each other during the conference season, each team's head-to-head record against all common opponents in the league will be used to determine the automatic bid.
- If a tie still exists, then each team's record against the next highest common opponent in the league standings will be used to determine the automatic bid. When arriving at a group of tied teams that each team has played, composite records between the tied teams shall be utilized to determine if one of the tied teams has won more games against the group of tied teams.
- If the teams are still tied, a point system will be utilized based on a complete schedule and wins using the NCAA four-metric average ranking for FCS* following all games on the final Saturday of the regular season (and the Massey ranking entering the final day of the regular season for FBS opponents) as indicated below:
- Should the points system finish in a tie, the team with the best ranking in the NCAA four-metric average for FCS* following all games on the final Saturday of the regular season will receive the automatic bid.

FBS Massey	FCS NCAA 4M*	Schedule FCS Oppt.	FBS Oppt.	Outcome Win	Loss
1-50	1-5	5	0	10	0
51-100	6-10	4	0	8	0
101+	11-30	3	0	6	0
	31-75	2	0	4	0
	76+	1	0	2	0

3. MULTIPLE TIES

- If at any point, a tie is broken using the multiple-tie tiebreaker procedures and only two teams remain, the remaining teams will revert to the two-way tiebreaker (head-to-head).
- If the tied teams all played each other during the conference season, the team with the best cumulative record involving games with the tied teams shall be declared champion. For example, if a team is 2-0 against two other tied teams, that team will be declared champion.
- If the tied teams all played one another and have identical records against the other tied teams, then each team's record against all common opponents in the league will be used to determine the automatic bid. If teams are still tied, then each team's record against the next highest common opponent in the league standings will be used to determine the automatic bid.
- If the tied teams did not play each other, then each team's record against all common opponents in the league will be used to determine the automatic bid. If the teams are still tied, and they did not play each other, then each team's record against the next highest common opponent in the league standings will be used to determine the automatic bid.
- If the teams are still tied, a point system will be utilized based on a complete schedule and wins using the NCAA four-metric average ranking for FCS* following all games on the final Saturday of the regular season (and the Massey ranking entering the final day of the regular season for FBS opponents) as indicated below:
- Should the points system finish in a tie, the team with the best ranking in the NCAA four-metric average for FCS* following all games on the final Saturday of the regular season will receive the automatic bid.

FBS Massey	FCS NCAA 4M*	Schedule FCS Oppt.	FBS Oppt.	Outcome Win	Loss
1-50	1-5	5	0	10	0
51-100	6-10	4	0	8	0
101+	11-30	3	0	6	0
	31-75	2	0	4	0
	76+	1	0	2	0

* - NOTE: For purposes of the tiebreaker, the NCAA four-metric average ranking prepared for the FCS Championship Committee utilizes an average of the Massey, KPI, ESPN SOR and ESPN FPI metrics.
