In 1992, the Big West joined the Western Athletic Conference and the Pacific-10 Conference to establish a federated conference - the Mountain Pacific Sports Federation. Therefore, Big West men's soccer standings and All-Big West Teams concluded its records at the end of the 1991 season.

In 2001, the Big West had enough teams to sponsor a championship in men's soccer, thus bringing back the sport after a nine-year hiatus.
