# WEEK ONE MEAL PREP

The entire meal prep and grocery lists are flexible and up to you! Take a look at your week of meals and you can decide which recipes to leave out if you're dining out or subbing in different recipes. Cross out what you already have or what you don't need!

Remember, your grocery lists come every THURSDAY on ToneltUp.com under "[MY TIU](#)" for the following week. To be able to see it as a member of the Nutrition Plan, log into the website with your email address you used to join the plan. As a reminder, we'll also send it to you in your Member Only Newsletter on Thursdays. And we'll be sharing fun meal prep and success tips to keep you on your A game throughout the entire challenge!

- BIKINI PUNCH  -----
- KandKale Salad - Make giant salad and cover in fridge.  -----  
 TIP: Dress individual portions when you're ready to eat them so the rest of the salad stays fresh and crisp!  -----
- 4 Bikini Wraps  -----
- Pre-cut veggies for snacks  -----
- Freeze 6 pre-sliced bananas  -----
- 2 Pesto Quinoa Bowls  -----
- MetaDs or Bombshell Spells (your preference)  -----
- Any additional meal prep to make this week super successful!

## TIP!

Stock your pantry for the challenge! Clean out anything you don't need; any old spices, processed foods, freezer-burnt food. Make room for the amazing foods that will nourish you and help you reach your goals!
