

Vedic Color of the Day

Did you know that, according to Vedic philosophy, each day of the week represents a particular planet? Did you also know that each day is represented by a particular color that vibrates with the energy of that planet? Wearing the *Color of the Day* puts you in sync with the qualities of that day’s planet.

DAY	PLANET	COLOR	QUALITY
MONDAY	THE MOON 	OFF-WHITE	INSPIRATION
		ORANGE	
TUESDAY	MARS 	RED	DYNAMISM
		YELLOW	
WEDNESDAY	MERCURY 	GREEN	COMMUNICATION
THURSDAY	JUPITER 	GOLD	OPTIMISM
		BLUE	
FRIDAY	VENUS 	LIGHT BLUE	LOVE COMPASSION
		INDIGO LAVENDER	
SATURDAY	SATURN 	BLACK	DISCIPLINE
		VIOLET	
SUNDAY	THE SUN 	FROM CRIMSON	CHARISMA
		TO MAROON	

You don’t have to dress entirely in one color to get the benefit of the planet. Just a splash of that day’s color goes a long way in harmonizing your cosmic energy.
