Your Faculty for Today's Program:

Bud Pate, REHS

Director of Content Learning – Clinical Compliance & High Reliability Practice
The Greeley Company

With more than four decades of experience, Bud is a nationally recognized expert in CMS and Joint Commission compliance, process simplification, clinical quality and patient safety. He works with healthcare organizations across the country to achieve sustainable, common sense solutions that promote efficiency, protect patients and comply with external regulatory requirements.

Ann Smedley, BSN, RN-BC, HACP

Consultant – Clinical Compliance & High Reliability Practice
The Greeley Company

Ann brings over 35 years of varied nursing experience that includes 20+ years in psychiatric nursing and nursing leadership to her work with acute hospitals and behavioral health facilities. Her clinical experience in geriatric, adult, adolescent and child psychiatric nursing, along with operational and leadership experience, facilitates successful outcomes with accrediting agencies and ongoing CMS regulatory compliance.
