

A panoramic view of the Dubai skyline at dusk. The sky is a mix of light blue and purple. In the foreground, the turquoise waters of the sea are visible. The skyline features several prominent buildings: on the left, the tall, cylindrical Jumeirah Emirates Towers with its distinctive spire; next to it, the Four Seasons Hotel with its illuminated facade; and on the right, the large, ornate, and brightly lit Four Seasons Hotel Al Maryah Island. The buildings are reflected in the water.
