**Subject:** Request to attend Future of Asset Management Europe

Dear [Manager],

I would like approval to attend Future of Asset Management Europe, organised by FT Live, the events division of the Financial Times.

The event brings together senior leaders, policymakers, investors and industry experts to examine the key issues shaping asset management across Europe, including geopolitical fragmentation, cross-border investment, regulatory change and evolving client demand.

As Europe continues to drive global growth while becoming more complex to navigate, the programme offers a highly efficient opportunity to gain strategic insight into how leading firms are adapting their investment strategies, operating models and regional expansion plans.

Attending would help us:

- Stay informed about key developments across European markets
- Understand how peers and competitors are responding to regulatory and geopolitical change
- Identify new investment opportunities and growth areas
- Build relationships with senior industry leaders and potential partners
- Bring back actionable insights to share with the wider team

Following the event, I will share a summary of key takeaways and recommendations relevant to our priorities.

Please let me know if you would like me to share the agenda or further details.

Best regards,
